What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investment in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit A.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This* Franchise

Please consider the following RISK FACTORS before you buy this franchise:

1. Mandatory minimum payments are required. Specifically, you must make minimum weekly payments, and other payments, regardless of your sales levels. Your inability to make the payments may result in termination of your franchise and loss of your investment.
2. The Franchise Agreement requires you to arbitrate disputes with us before the American Arbitration Association. Out of state arbitration may force you to accept a less favorable settlement for disputes. It may also cost you more to arbitrate disputes with us in New York than in your own state.
3. The Franchise Agreement states that New York state law governs the agreement, and this law may not provide the same protections and benefits as local law. You may want to compare these laws.
4. The Franchisor's financial condition, as reflected in its financial statements (see Item 21), calls into question the Franchisor's ability to provide services and support to you.
5. There may be other risks concerning this franchise.

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement requires you to resolve disputes with the franchisor by mediation, arbitration and/or litigation only in New York. Out-of-state mediation, arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in New York than in your own state.

Certain states may require other risks to be highlighted. Check the "State Specific Addenda" (if any) to see whether your state requires other risks to be highlighted.

The \$2.00 fee is deducted from the net transportation rate. All fees can be increased at any time upon seven (7) days written notice. Note 3. Corporate Transportation Group, Ltd., a related corporation will process the vouchers and will pay the Franchisees. The Voucher Processing Fees can be increased upon seven (7) days written notice. "Gross voucher income" is defined as the charge to a customer as specified in Franchisor's current rate book as the cost for transportation services from a point-of-pick up to a destination, inclusive of stops, waiting time, and mobile telephone charges. Gross voucher income does not include tolls or other out of pocket cash payouts nor does it include any service, administrative or processing charges paid by the customer. Franchisee acknowledges and agrees that there can be multiple rate books, based on the Franchisor's agreement with the particular customer, and that Franchisee will be paid based on the rate book in effect on the date the service was provided to the given customer. In addition, the charge to the customer may vary from that set forth in Franchisor's current rate book(s) at Franchisor's sole option. "Net transportation rate" is the gross voucher income, less any discounts, surcharges, rebates, credit card charges, and/or other similar expenses. Franchisees must only submit for payment vouchers generated as the result of the Franchisee or Franchisee's lessee personally servicing the fare. Franchisor will not issue payment to a Franchisee for a fare transported by another driver. Franchisor does not have any obligation to pay Franchisee for any fare or service provided for which Franchisee or Franchisee's lessee did not submit a voucher or other receipt in form approved by Franchisor. Franchisor does not have any obligation to pay Franchisee for any fare or service provided that was not dispatched by Franchisor. Booking of jobs by Franchisee is strictly prohibited. If any voucher is held by Franchisee for more than five (5) days from the date of the work performed, that voucher shall not be paid by Franchisor. Franchisee further agrees to adhere to the Franchisor's instructions regarding vouchers, including, but not limited to, completing vouchers, not giving out said vouchers to customers, etc., and acknowledges that if Franchisee fails to follow the Franchisor's instructions, resulting in non-payment for the fare, the driver will not be entitled to payment for said fare and will be responsible for reimbursing Franchisor for the full fare amount. Franchisee further acknowledges that Franchisor will not issue payment to Franchisee for any fare or portion of a fare that a customer disputes and, if the Franchisee is paid for a disputed or partially disputed fare, Franchisee must refund same to Franchisor. All requests for adjustments of payments to Franchisee must be made within forty-five (45) days from the date of the fare, otherwise payments made are deemed an account stated.

Note 4. Franchisee shall defend, indemnify and hold Franchisor harmless from and against any and all damages, claims, demands, suits, judgments and costs, including reasonable attorneys fees and expenses, on account of damage to property and bodily injury or death or other personal injury to any person or persons, directly or indirectly arising out of or caused or claimed to have been caused in whole or in part by the Franchisee or the Franchisee's lessee. Franchisee shall not permit any person, partnership, or corporation to use the Franchisor's Dispatch Equipment, contract with Franchisor or otherwise receive fares from Franchisor unless the person, partnership, or corporation received prior written approval from Franchisor to do so. Failure to follow this rule shall constitute grounds for immediate termination of the Franchise.

Nothing herein should be construed to indicate that Franchisee is prohibited from engaging in work as a for-hire or black car driver for another company engaged in the same or similar business or for Franchisee's own private customers. The TLC may have rules or regulations prohibiting the use of a vehicle that is registered with the TLC being affiliated with Franchisor from receiving dispatches from any company other than Franchisor, and Franchisee is required by the TLC to comply with any such rules. However, Franchisee is not prohibited from owning, leasing or operating vehicles that are registered with the TLC being affiliated with other companies. AGREEMENT made this _____ day of _____, 20____, by and between Aristacar & Limousine, Ltd., a corporation organized and existing under the Laws of the State of New York and having its principal place of business at 241 37th Street, Suite 1-4-B460, Brooklyn, New York 11232 ("Franchisor"), and _____, having his/her/its principal place of business/home address located at _____ ("Franchisee").

WHEREAS, Franchisor operates or has access to a ground transportation referral network in the New York metropolitan area that provides franchisee drivers and their lessees with, among other services, the right to receive fare referral opportunities through the network, process completed fares, and receive payment therefor in exchange for certain fees (the "System") ; and

WHEREAS, Franchisee wishes to purchase a franchise in the System so that Franchisee may utilize the fare referrals and related services offered by the System; and gain the benefits and advantages of Franchisor's expertise in the ground transportation industry; and

WHEREAS, Franchisor and Franchisee hereby consent to assume certain obligations and responsibilities as are required for the operation of a franchise; and

WHEREAS, Franchisor and Franchisee acknowledge that each shall be required to assume and undertake certain responsibilities and obligations to the other.

NOW, THEREFORE, Franchisor and Franchisee agree to the following terms and conditions:

1. The initial franchise fee is \$32,000.00 ("Franchise Fee"), which is non-refundable and is solely applied to the purchase of a franchise.
2. The initial Franchise Fee is payable as follows (check one):
 - 2.1 ☐ \$32,000.00 upon the execution of this contract.
 - 2.2 ☐ If financing is approved by Franchisor _____ dollars down, and the balance to be paid over a period of _____ years, in _____ equal monthly installments, plus interest of _____ percent. In order to be approved for financing by the Franchisor: (a) a credit check of the Franchisee must not indicate any negative credit references; and (b) an income verification and check of the Franchisee's income for the three (3) year period preceding the execution of the Agreement must evidence that the Franchisee's income will, in the sole opinion of the Franchisor, be sufficient to pay the amount of the Franchise Fee financed, together with any interest which will become due thereon. If the franchisee fails to make payment to the Franchisor for a period exceeding two (2) weeks, the entire balance of the fee shall be immediately due and payable.

- 2.3 The individual shareholders of a corporate Franchisee and/or the individual members of a limited liability company or limited liability partnership Franchisee shall be personally responsible, jointly and severally, for the corporate Franchisee's loan and shall personally guarantee same. In the event a Franchisee sells his franchise, the Franchisee's selling price is privately negotiated between the selling Franchisee and his purchaser.
3. Franchisee shall pay to Franchisor in addition to all other costs, fees and expenses:
- 3.1 A weekly service fee in the amount of (check one), payable weekly in arrears by deduction from the Franchisee's weekly voucher earnings, beginning with the execution of this Agreement and continuing until this Agreement is terminated in accordance with the terms of this Agreement:
- 3.1.1 ☐ \$56.00 for a single shift, which may be increased by Franchisor upon seven (7) days written notice.
- 3.1.2 ☐ \$80.00 for a double shift, which may be increased by Franchisor upon seven (7) days written notice.
- 3.2 A \$1,000.00 non-refundable administration fee to be used to set up Franchisee within the System. Should the Franchisee lease out his/her franchise to a third-party, subject to the terms and conditions set forth herein, a \$1,000.00 non-refundable administration fee shall be paid before the Franchisee's lessee can utilize the System.
- 3.3 The charges in this section shall be paid whether or not Franchisee actually uses the services provided by Franchisor, in the operation of the franchise, during such time period.
- 3.4 At its option Franchisor may deduct any and/or all fees from Franchisee's voucher earnings or from any other monies due to Franchisee. If Franchisee's voucher earnings are insufficient then Franchisee shall remain liable for all fees.
4. Franchisee shall pay a security deposit ("Security Deposit") to secure Franchisee's obligations pursuant to this Agreement in the amount of \$1,500.00. The Security deposit is to be paid in one lump sum upon execution of this Agreement. The Security Deposit is not maintained in a segregated bank account. Franchisee shall not receive any interest or other compensation for this Security Deposit. The Security Deposit shall be returned to Franchisee, without interest, within six (6) months of the termination of the franchise, so long as the Franchise is terminated by sale, transfer or assignment, Franchisee executes a general release in the form approved by Franchisor, and any Franchisor-provided and/or leased equipment is returned in good and proper working order, reasonable wear and tear excluded. Franchisor shall be entitled to deduct from said security deposit all monies owed by Franchisee to Franchisor including but not limited to the reasonable value of any equipment secured by the deposit that is either not returned, or that is returned in poor condition and/or any other sums that may be due the Franchisor. If Franchisee leases out his franchise, the lessee must pay a \$1,500.00 Security Deposit under the terms and conditions outlined herein.

5. If Franchisee fails to make any payment at the proper time and location, Franchisor shall have the right to immediately accelerate all payments due, collect these payments and cancel this Agreement. Franchisor shall in no way be obligated to either provide financing to Franchisee for payment of the Franchise Fee, or the Security Deposit, or to guarantee Franchisee's receipt of such funds from a lending institution.
6. Franchisee agrees not to use Franchisor's trade name, trademarks, service marks, any derivations thereof, or similar names or marks for any purpose other than that authorized by the Franchise Agreement or in direct furtherance of the operations of the franchise without the express written consent of Franchisor. Such limitations of use, include but are not limited to, the registration of internet domain names; establishing and maintaining e-mail addresses; the establishment or creation of corporations and/or other entities.

Franchisee may use the vehicle for any purpose, including for personal use and/or for purposes of servicing Franchisee's own customers or those of a competitor.
8. Franchisee shall at all times maintain liability insurance for the Vehicle as required by law. The TLC currently requires coverage in the minimum amount of \$100,000.00/\$300,000.00, \$200,000.00 personal injury protection and \$50,000.00 property damage as part of liability coverage. A copy of said policy shall be supplied to Franchisor immediately upon obtaining same. Any changes or renewals shall also be immediately supplied to Franchisor. The failure to maintain this coverage at all times shall be considered a material breach of the Agreement.
9. Franchisee shall be solely responsible for all fees, taxes, charges, penalties, fines, inspections, repairs, summonses, liabilities and all other expenses involving the Franchise, Franchisee, Franchisee's Vehicle, and/or Franchisee's lessee(s).
10. All fees, including the weekly service fee, application fees, processing fees and voucher processing fees (discussed below) are non-refundable and may be increased upon seven (7) days written notice. Franchisor may impose any new fees required due to the enactment of any new local, state or federal law, rule or regulation requiring such fees.
11. Franchisee is responsible for obtaining and maintaining, at Franchisee's sole cost and expense, all licenses required for the operation of the Vehicle, and for the transportation of passengers, as may be required by all applicable governmental regulatory agencies. Proof of proper licensing or renewal shall be supplied by Franchisee to Franchisor upon execution of this Agreement, upon expiration of the license and/or upon the request of Franchisor. Franchisee shall provide Franchisor with such documentation and information for any third party drivers and/or lessees who operate the Franchise. The failure to comply with the provisions of this paragraph at all times shall be considered a material breach of this Agreement.

- 11.1 The Franchisee shall immediately notify the Franchisor of any change in the status or effectiveness of any required insurance or license, including the license(s) of Franchisee's driver(s), or any change of address.
- 11.2 Pursuant to TLC's rules, the holder of a For-Hire Vehicle ("FHV") permit will accumulate TLC penalty points if it is found to have violated certain rules as set forth within the TLC's rules and regulations. In the event that the Franchisee's or Franchisee's lessee is assessed two (2) or more points by the TLC, then the Franchisor, at its option, has the right to suspend the rights to utilize the Franchisor's communications network until such time as the total points assessed against that FHV by the TLC is zero (0).
- 12. All summonses, fines, penalties, taxes, fees, or charges issued, given, collected or enforced by any or all applicable regulatory and other governmental agencies, to or upon Franchisor by reason of Franchisee's or Franchisee's lessee's acts and/or omissions and/or his relationship with Franchisor shall be the cost, expense, and obligation of and shall be paid by Franchisee or Franchisee's lessee. If Franchisor incurs any costs or expenses, including Franchisor's attorney's costs, fees and expenses, then this shall also be the cost, expense and obligation of, and shall be paid by, Franchisee and/or Franchisee's lessee.
- 13. Franchisee is responsible for providing and maintaining communications equipment (which is currently a smart phone and hereinafter referred to as the "Smart Phone") compatible with Franchisor's system, which may be purchased or leased from either Franchisor or a third party. Franchisee must purchase and maintain a data plan. Franchisor will maintain normal operation of the Application and pertinent downloadable content.
 - 13.1 Franchisee shall pay an application fee of Five Hundred (\$500.00) Dollars for installation of the Application onto Franchisee's Smart Phone.
 - 13.2 If Franchisee leases a Smart Phone from Franchisor, Franchisee shall pay Fifty Six (\$56.00) Dollars per week for the use of both the Smart Phone and the Application. The leasing fee may be increased by the Franchisor upon seven (7) days written notice. Franchisee acknowledges that any Smart Phone leased from Franchisor is and shall remain solely the property of Franchisor and shall be returned upon request, together with payment to cover the cost of restoring same to prime and excellent operating status. Under no circumstances shall a leased Smart Phone be transferred to any other person or entity without the prior written consent of Franchisor.
 - 13.3 The Franchisor reserves the right to charge the Franchisee for the cost of upgrading any leased Smart Phone. Alternatively, if the Franchisor elects, in its sole discretion, to utilize new or different communications equipment, the Franchisee will be responsible for obtaining said equipment, the cost of such new or different equipment, as well as the related service, maintenance and/or repair costs. Should same occur, all terms herein, to the extent applicable, shall continue to apply. There may be additional terms applicable to the different type of equipment Franchisee is required to purchase or lease.

- 13.4 If the franchise or Franchisee's driving privileges are suspended or terminated by the TLC or other governmental authorities, Franchisee's use of the Application can be discontinued, with or without advance notice.
- 13.5 Franchisee shall only use the Application in full compliance with all local, state and federal laws, rules and regulations. Franchisor shall not be held liable for any motor vehicle accident or fine resulting from Franchisee's actions or inactions, including but not limited to misuse of the Application while driving. Franchisee shall reimburse Franchisor for any fines, penalties or monies paid by Franchisor to third parties on Franchisee's behalf, including without limitation expenditures resulting from moving violations, parking violations and/or lawsuits by other persons.
- 13.6 If Franchisee leases a Smart Phone from Franchisor, Franchisor will provide normal maintenance. Such maintenance shall not include repairs and servicing required as a result of damage resulting from any accident, negligence or misuse, including but not limited to, damage from water or exposure to the elements, in which case the damage shall be repaired at Franchisee's own expense.
14. Franchisee's ownership interest in the franchise may be assigned, transferred or sold with the prior written consent of the Franchisor, which shall not be unreasonably withheld.
15. The franchise may be leased or rented by Franchisee to a third-party ("Lessee") with the prior written consent of the Franchisor, which consent shall not be unreasonably withheld. Any Lessee of the Franchise shall, prior to exercising Franchisee's rights under this Agreement, provide Franchisor with written acknowledgment that he has read this Agreement in full, knows and understands the terms set forth herein, and agrees to comply with all terms and conditions set forth herein. Any Franchisee who enters into a lease or rental agreement with a Lessee shall be fully responsible for all acts of Lessee, and hereby agrees to indemnify Franchisor (including paying Franchisor its reasonable legal fees), and hold it harmless for any incidents, actions, lawsuits or other processes initiated by any person or entity against Franchisor on account of acts or omissions of Lessee.
16. Franchisee agrees that all franchisor-provided materials are the property of Franchisor.
17. The Franchisee shall not, at any time during or after termination or assignment of this Agreement, disclose, reveal or furnish any confidential information in whole or in part concerning the Franchisor and its operations and customers to any person or entity for any reason or any purpose whatsoever, or use the same for any purpose not in furtherance of this Agreement.
18. Franchisor agrees to maintain or have access to a referral system so as to provide Franchisees, when practical, with the opportunity to contract to service passengers who request transportation services. In the event of acts of God, computer, telephone and other equipment malfunction or breakdown, anything caused in any way whatsoever in whole or part by any other person or entity and any disruptions due to anything not completely and directly under the immediate control of Franchisor. Franchisor shall be excused from its obligations hereunder for the duration of such event, and until service may be resumed, and

shall not be responsible to Franchisee for any and all claims that may arise as a result of such interruption of service due under any paragraph of this Agreement or any other contract or agreement.

19. Franchisor will provide or arrange to be provided to Franchisee referrals indicating the location of fare requests and agrees to use its efforts to institute or arrange to be instituted a system that will provide Franchisee, together with all other franchisees, an opportunity to contract to receive and service the referrals. Requests for service will be offered and awarded in a manner and in accordance with the customer's requests.
20. Franchisor is hereby authorized to deduct all charges, fees, costs, expenses and any monies due and owing by Franchisee to Franchisor from any sums due and owing by Franchisor to Franchisee. Franchisee may also authorize Franchisor to deduct on his behalf and for his convenience those sums due and owing by Franchisee to Franchisor and/or third parties, as detailed on the Fee Summary Sheet (Exhibit "T" to Franchise Disclosure Document), which is incorporated herein by reference.
21. Franchisee agrees to maintain at his own expense all insurance necessary to operate his franchised business, including without limitation worker's compensation, unemployment, and/or disability insurance for Franchisee's employees, if any. If Franchisor is elects to pay the cost of such insurance on Franchisee's behalf, Franchisee agrees to reimburse Franchisor for all such costs and related expenses and that Franchisor may withhold all payments due to Franchisee until either Franchisor is reimbursed in full or paid directly by the Franchisee for these costs and related expenses. Franchisor shall have the right to retain partial payments until Franchisor is paid in full.
22. Franchisee shall receive his percentage based upon the lesser of the amount stated in the rate book or the amount of the transportation rate actually received by Franchisor. If Franchisee receives a greater amount from Franchisor then Franchisor can reduce any future payments due to Franchisee by the overpayment or use any other method of collection. All vouchers are to be fully completed and priced by Franchisee. Franchisee agrees to submit all vouchers to Franchisor on a weekly basis in electronic form. Any voucher held by Franchisee for more than five (5) days from the date of the work performed shall not be paid by Franchisor. Cash fares are subject to the same fees and, in the event that no voucher is submitted, the fare will be treated as a cash fare. The Franchisee will pay Franchisor a Voucher Processing Fee for each referral. The Voucher Processing Fee to be paid will be in the sum of 20% of the gross fare and Franchisee shall receive 80% of the net transportation rate if paid within 4 weeks; 30% of the gross fare and Franchisee shall receive 70% of the net transportation rate if paid within 1 weeks; and 32% of the gross fare and Franchisee shall receive 68% of the net transportation rate if paid within 1 day. The Voucher Processing Fee shall be less any discount given to the customer by Franchisor. Payment shall be made to Franchisee by Automated Clearing House (ACH) deposit into Franchisee's designated account at no cost to Franchisee. Optionally, Franchisee may elect to pick up earnings checks in person at Franchisor's offices. Franchisor may change the frequency of payment of any one of the voucher processing fee percentage options offered hereunder upon seven (7) days notice to the Franchisee. Franchisee agrees to promptly review all earnings statements issued to him for accuracy. All requests for adjustments of payments to Franchisee must be made within

forty-five (45) days from the date of the fare, otherwise payments made are deemed an account stated.

- 22.1 Gross voucher income is defined as the charge to a customer as the cost for transportation services from a point of pick up to a destination, inclusive of stops, and waiting time. Gross voucher income does not include tolls or other out of pocket expenditures nor does it include any service, per voucher administrative, processing or similar charges paid by the customer. Franchisee acknowledges and agrees that there can be multiple rate books as different customers may have different rates, and that Franchisee will be paid based on the rate book in effect on the date the service was provided to the given customer. In addition, the charge to the customer may vary from that set forth in the current rate book(s). In said event, the Franchisee shall be paid based upon the amount charged to the customer. The voucher processing fee due Franchisor shall be calculated upon the gross voucher income.
- 22.2 Net transportation rate is the gross voucher income less any discounts, surcharges, rebates, credit card charges, and/or other similar expenses.
- 22.3 Franchisee shall pay to Franchisor a credit card processing fee ("Credit Card Processing Fee") in an amount equal to five percent (5%) of the gross fare for each payment made by a customer through the use of a credit card. The Credit Card Processing Fee shall be deducted from Franchisee's weekly voucher earnings upon the payment of the voucher(s). The Credit Card Processing Fee is separate from and in addition to the Voucher Processing Fee; it is non-refundable and subject to change at Franchisor's option upon seven (7) days written notice.
- 22.4 Franchisor may retain the services of a third-party to process the vouchers and remit to Franchisees. Franchisee will be paid based upon the net transportation rate. The voucher processing fees can be increased on seven (7) days written notice. Franchisor agrees to pay Franchisee the Net Transportation Rate of each outstanding voucher submitted by Franchisee, less any discount given to the customer by Franchisor and less \$2.00 per voucher or credit card slip submitted for payment. This fee is deducted from the net transportation rate after the percentages are deducted and can be increased at any time upon seven (7) days written notice. This is in addition to any increases allowed by any other provision of this Agreement.
- 22.5 Franchisee acknowledges that Franchisor does not have any obligation to pay Franchisee for any fare or service provided for which Franchisee or Franchisee's Lessee did not submit a voucher or other receipt in an approved format. Franchisee further acknowledges that Franchisor does not have any obligation to pay Franchisee for any fare or service provided that was not dispatched by Franchisor.
- 22.6 In the event Franchisee makes transportation arrangements with and is paid directly by a customer without utilizing the Franchise referral system, Franchisee may retain such fares as his own.
- 22.7 Franchisor is under no obligation to pay the Franchisee for the fare unless and until the customer pays for the fare, and the Franchisor will only be obligated to pay the

Franchisee based upon what the Customer pays to the Franchisor. Franchisee further acknowledges that Franchisor will not issue payment to Franchisee for any fare or portion of a fare that a customer disputes and, if the Franchisee is paid for a disputed or partially disputed fare, Franchisee must refund same to Franchisor.

- 22.8 Franchisee further agrees to adhere to the customer's instructions regarding vouchers, including, but not limited to, completing vouchers, not giving out said vouchers to customers, etc. and acknowledges that if Franchisee fails to follow the customer's instructions, resulting in non-payment for the fare, the driver will not be entitled to payment for said fare and will be responsible for reimbursing Franchisor for the full fare amount.
- 22.9 All vouchers, VIP cards, and credit card fares must be priced by Franchisee through the Smart Phone.
- 23. Franchisee may request that Franchisor deduct from each voucher being paid to Franchisee \$.50 per fare to be placed in a Radio Club to be used for the benefit of Franchisee and other franchisees. Each Franchisee may have deducted and set aside for this purpose a maximum of \$1,000.00. Upon the termination of this Agreement, if Franchisee has fulfilled all of the terms, conditions and covenants of this Agreement, the \$1,000.00, without interest, less the amount used by the fund and any sums due Franchisor, will be returned to Franchisee within six (6) months of termination of the franchise, so long as Franchisee has completed all of his requirements upon termination and any equipment received from Franchisor is returned in good working order.
- 24. Nothing herein should be construed to indicate that Franchisee is prohibited from engaging in work as a for-hire or black car driver for another company engaged in the same or similar business, either during his ownership of the franchise or thereafter. Nothing herein should be construed to indicate that Franchisee is prohibited from engaging in any other employment, self-employment or engaging in other businesses while Franchisee owns a Franchise.
- 25. The Franchisee agrees to abide by all rules and regulations developed, implemented and enforced by the Franchisee Communications Committee. These rules and regulations are designed to protect the collective interests of all franchisees and drivers of franchisees. The Franchise Communications Committee and other "Franchisee Committee(s)" such as the Franchisee Security Committee referenced below are comprised of franchisees and operate independent from and without interference by Franchisor or any other entity or person for purposes of protecting the collective interests of all franchisees. Any and all disputes arising under or relating to the rules and regulations of the Committee and/or Franchisee's affiliation with Franchisor or termination thereof, shall be subject to the procedures of the Franchisee Security Committee in accordance with its rules and regulations. Franchisee agrees to be bound by the findings and rulings of the Franchisee Security Committee. The decisions of the Franchisee Security Committee shall be final and not subject to court review.
- 25.1 The Franchisee Security Committee holds internal hearings for the enforcement of Committee rules. The rules are designed to protect the individual and collective

interest of all franchisees. The rules were developed by other Franchisees for their common good and welfare. Franchisor has nothing to do with these rules. As per Committee rules, drivers charged with violating one or more rules may be represented at the internal hearings by another driver or franchisee from within the group, but not by third parties unless they are a witness to the incident that is the subject of the hearing.

- 25.2 The Franchisee will bear the sole cost and expenses for any and all fines, penalties or liabilities that may be assessed by the Franchisee Security Committee by reason of any actions, inaction or conduct of the Franchisee, or said Franchisee's employee, Lessee, agent, contractor or any other person acting on behalf of or in conjunction with said Franchisee. The Franchisee hereby authorizes the Franchisor to deduct from the Franchisee's voucher earnings the amount of any fine assessed by the Franchisee Security Committee against the Franchisee or any employee, Lessee, agent, contractor or any other person acting on behalf of or in conjunction with said Franchisee and to turn over said penalty, fine or assessment to the NYC 2 Way Sunshine Fund, or its designees. Collection through the voucher income is not intended to be the sole method of collection. The Sunshine Fund is a fund established by the Committee for the benefit of all Franchisees and their families.
26. If Franchisee opts to service a customer who requires random testing for drugs, alcohol or other controlled substances which impair a person's visual or mental senses ("Drugs"), Franchisee agrees to submit to such testing. Franchisee's refusal to submit to such testing will be deemed a material breach of this Agreement. If testing reveals that Franchisee has used any Drugs, Franchisor shall have the right to immediately terminate this Agreement without the payment of any monies or damages. Franchisee shall still be liable to Franchisor for all duties, obligations, fees and payment of monies due under other all other provisions of this Agreement.
27. This Agreement may be terminated "for cause" in the event of a breach of a material term or condition of this Agreement or a material breach of any rules and/or regulations imposed by the TLC, Department of Motor Vehicles, or other governmental authorities. A material breach on the part of Franchisee shall entitle Franchisor to immediately terminate the Agreement without notice and without payment of any monies to Franchisee other than for services already rendered.
28. Franchisee acknowledges that at any time during the term of this Agreement, Franchisor may suspend Franchisee's right to contract for referrals in the interest of public safety or due to a material breach of this Agreement.
29. Upon termination of this Agreement, Franchisor shall be entitled to the following:
- 29.1 Weekly service charge and all other charges for every week until such time as Franchisee signs a general release.
- 29.2 If Franchisee leased a Smart Phone from Franchisor, and same is not immediately returned in good and working order, the sum of \$3,000.00. This sum shall not be

waived, reduced or refunded even if Franchisee subsequently returns the Smart Phone.

- 29.3 All losses, anticipated profits and revenues from customers that have decreased or stopped using the services of Franchisor due to actions or inactions of the Franchisee, damages, expenses, costs, disbursements and attorneys fees.
- 29.4 In the event legal action must be taken against Franchisee, all costs, expenses and attorney's fees associated therewith.
30. Franchisee is not an employee or agent of Franchisor, but merely a subscriber to the services offered by Franchisor. Franchisee shall at all times be free from the control or direction of Franchisor in the operation of Franchisee's business, and Franchisor shall not control, supervise or direct the services to be performed by Franchisee. Franchisee shall be free at all times to provide services to competitors of Franchisor and/or to Franchisee's own private customers.
31. The parties hereto agree that Franchisee's remuneration for services performed hereunder shall be directly related to the number of customers serviced by Franchisee, its Lessees or drivers and not based on the number of hours so worked by Franchisee, his Lessees or drivers. By entering into this Agreement, Franchisee acknowledges that Franchisor cannot and does not make projections or guarantees with respect to the potential earnings of its Franchisees.
32. In the event that Franchisee shall enter into any form of bankruptcy proceeding, or any form or arrangement for the benefit of creditors, including assignment for the benefit of creditors, or shall otherwise become legally insolvent, Franchisor maintains the right to terminate this Agreement.
33. This Agreement and the services to be performed hereunder are subject to the rules and regulations of the TLC, the Federal Communications Commission, and any other governmental agency that may have appropriate jurisdiction. Franchisee agrees to comply with all Federal, State, City and Local laws, rules and/or regulations presently existing or hereinafter enacted or modified.
34. Upon the dissolution of a corporation or partnership by Franchisee, this Agreement shall be considered terminated pursuant to the terms of this Agreement.
35. All of Franchisor's rights under this Agreement shall pass to its successors and assigns.
36. Franchisor and Franchisee agree that this Agreement is the exclusive operative Agreement between the parties. Franchisee has read and understood this Agreement in its entirety.
37. All notices hereunder shall be made in writing, by regular mail, to the address of the party provided herein.

38. Once the Agreement is terminated, Franchisee shall not have any rights whatsoever as a Franchisee.
39. If the Agreement is terminated by either party or if the franchise is assigned or transferred to any other party by Franchisee, then the following must be done by Franchisee if Franchisee owes any money to Franchisor, and/or if any of Franchisor's officers, directors, shareholders or employees previously guaranteed any obligation or loan to any other person or entity on behalf of Franchisee:
- 39.1 All loans and obligations that are outstanding with Franchisor must be paid in full.
- 39.2 If all outstanding loans and obligations are not satisfied pursuant to the terms of this section of the Agreement within three (3) days, then Franchisor shall have the right to take possession of the collateral, if any, by any lawful means, sell it at a public or private auction and hold Franchisee responsible for all monies not satisfied by the sale of the collateral plus costs, fees, legal fees, expenses, auctioneer expenses, sheriff or marshal fees and expenses, court filing and other fees and expenses, referee fees and expenses, publication fees and expenses, repossession fees and expenses and all other fees and expenses of every kind and nature.
40. In the event that Franchisee sells or assigns its rights and obligations under this Agreement and Franchisor agrees to collect payments, amounts due, principal, interest or other monies from the buyer or assignee ("Payment") on Franchisee's behalf then the following shall apply:
- 40.1 Franchisor shall have the right to cease collecting the Payments at any time without specifying any reason.
- 40.2 Franchisor shall have the right to commingle the Payment with Franchisor's other monies.
- 40.3 Franchisor is not in any way a co-signor, guarantor or in any way connected with the payments, except as a collection agent, and shall have no liability as to any Payment.
- 40.4 Franchisor shall have no liability whatsoever if any Payments are not made by the appropriate party.
- 40.5 Franchisor shall have the right to charge a fee for this service. Even if Franchisor charges a fee, all provisions relating to the non-liability of Franchisor shall remain in full force and effect.
- 40.6 Franchisor's sole responsibility shall be to transmit the Payments received to the appropriate party. Franchisor shall have the right to deduct from the Payment any monies due to Franchisor for any reason under this Agreement or any other contract, agreement, debt payable or any other amount due to Franchisor as well as the fee (if charged) for collecting the Payment.

41. Franchisee shall maintain sufficient coverage for any and all claims that might be asserted against Franchisor as a result of Franchisee's operation of the franchise, including without limitation liability, accident, property damage, fire damage, weather-related damage, and malicious mischief.
42. Franchisee shall defend, indemnify and hold Franchisor harmless from and against any and all damages, claims, demands, suits, judgments and costs, including reasonable attorneys fees and expenses, on account of damage to property and bodily injury or death or other personal injury to any person or persons, directly or indirectly arising out of or caused or claimed to have been caused in whole or in part by the Franchisee or the Franchisee's lessee. Franchisee shall further defend, indemnify and hold Franchisor harmless from and against any and all summonses, tickets, penalties, demands, judgments and costs, including Franchisor's attorneys fees and expenses directly or indirectly arising out of or caused or claimed to have been caused in whole or in part by the Franchisee or the Franchisee's Lessee, and shall reimburse Franchisor for any other or additional out of pocket expenses incurred by Franchisor as the result thereof.
43. This Agreement contains an arbitration provision that will require Franchisor and Franchisee to resolve any claim that each may have against the other on an individual basis pursuant to the terms of the Agreement. This provision will preclude Franchisor and Franchisee from bringing any class, collective, or representative action against the other. It also precludes Franchisee from participating in or recovering relief under any current or future class, collective, or representative action brought against the Franchisor by someone else.
44. Franchisee has had the opportunity to have this Agreement and the Disclosure Statement reviewed by an attorney of his or her choice prior to executing this Agreement. Franchisee was granted all the time requested for both Franchisee and Franchisee's attorney to review all documents to their complete satisfaction. Franchisee understands that the attorney for Franchisor does not represent Franchisee and does not protect the interests of Franchisee.
45. Franchisee has completely reviewed the Disclosure Statement and this Agreement and understands all of the terms, conditions and covenants contained herein and that they are reasonable and necessary.

46. This Agreement shall be deemed to be a contract made under the laws of the State of New York and shall be construed and enforced and governed by the laws of said state excluding its rules relating to conflict of laws.
47. This Agreement shall be binding upon Franchisee and all of his successors, heirs and assigns.
48. Franchisor assumes no responsibility, and shall not be liable for, any direct, indirect, special, incidental or consequential damages of any kind, including, but not limited to, loss of profit, arising out of Franchisee's use or the inability to use the Franchisor's System and related services, even if Franchisor has been advised of the possibility of such damages. In no event shall Franchisor, its business partners, their affiliates or any third party be liable for any injury, loss, claim, damage, or any special, punitive, exemplary, indirect, incidental or

consequential damages of any kind (including, without limitation, lost profits), whether based in tort, contract, strict liability, or otherwise, which arises out of or is in any way connected with Franchisor's provision of services or failure to provide services in accordance with the terms of this franchise agreement.

49. The parties hereto hereby agree to limit the liability of the Franchisor for any Claims instituted by Franchisee pursuant to or arising out of this Agreement, so that the total aggregate liability for the Franchisor to the Franchisee shall not exceed the cost of the Initial Franchise Fee, as set forth in Paragraph 1 of this Agreement, to the extent paid. It is intended that this limitation apply to any and all liability or Claims however alleged or arising, regardless of the legal theory under which such Claims are asserted unless otherwise prohibited by law, except that the foregoing does not apply to claims made by Franchisee for unpaid vouchers.
50. Arbitration does not limit or affect the legal claims. Agreeing to arbitration only affects where any such claims may be brought and how they will be resolved. Arbitration is a process of private dispute resolution that does not involve the civil courts, a civil judge, or a jury. Instead, the parties' dispute is decided by a private arbitrator selected by the parties using the process set forth herein. Other arbitration rules and procedures are also set forth herein.
51. WHETHER TO AGREE TO ARBITRATION IS AN IMPORTANT DECISION. IT IS YOUR DECISION TO MAKE, AND YOU SHOULD NOT RELY SOLELY UPON THE INFORMATION PROVIDED IN THIS AGREEMENT AS IT IS NOT INTENDED TO CONTAIN A COMPLETE EXPLANATION OF THE CONSEQUENCES OF ARBITRATION. YOU SHOULD TAKE REASONABLE STEPS TO CONDUCT FURTHER RESEARCH AND TO CONSULT WITH OTHERS—INCLUDING BUT NOT LIMITED TO AN ATTORNEY—REGARDING THE CONSEQUENCES OF YOUR DECISION, JUST AS YOU WOULD WHEN MAKING ANY OTHER IMPORTANT LIFE DECISION.

52. This Arbitration Provision is governed by the Federal Arbitration Act, 9 U.S.C. Section 1 et seq. (the "FAA") and evidences a transaction involving commerce. This Arbitration Provision applies to any dispute arising out of or related to this Agreement or termination of the Agreement and survives after the Agreement terminates. Nothing contained in this Arbitration Provision shall be construed to prevent or excuse Franchisee from utilizing any procedure for resolution of complaints established in this Agreement (if any), and this Arbitration Provision is not intended to be a substitute for the utilization of such procedures. Except as it otherwise provides, this Arbitration Provision is intended to apply to the resolution of disputes that otherwise would be resolved in a court of law or before a forum other than arbitration. This Arbitration Provision requires all such disputes (with the exception of disputes and claims that concern breaches of the restrictive covenant and/or non-solicitation provisions of the Agreement) to be resolved only by an arbitrator through final and binding arbitration on an individual basis only and not by way of court or jury trial, and except as otherwise provided by law, not by way of class, collective, or representative

action. Such disputes include without limitation disputes arising out of or relating to the interpretation or application of this Arbitration Provision, including the enforceability, revocability or validity of the Arbitration Provision or any portion of the Arbitration Provision. All such matters (with the exception of disputes and claims that concern breaches of the restrictive covenant and/or non-solicitation provisions of the Agreement) shall be decided by an Arbitrator and not by a court or judge. Except as it otherwise provides, this Arbitration Provision also applies, without limitation, to disputes arising out of or related to these Terms and disputes arising out of or related to your relationship with the Franchisor, including termination of the relationship.

- 52.1 This Agreement is intended to require arbitration of every claim or dispute that lawfully can be arbitrated, except for those claims and disputes that relate to the breach of any of the restrictive covenants and non-solicitation provisions of this Agreement, as well as any other provisions which by the terms of this Agreement are expressly excluded from the Arbitration Provision. As to these excluded provisions, any claims and/or disputes shall be referred to and resolved by a court of competent jurisdiction, which shall retain full authority to adjudicate the claim or dispute, and full authority to issue temporary or preliminary injunctive relief. A party may also apply to a court of competent jurisdiction for temporary or preliminary injunctive relief in connection with an arbitrable controversy not involving the restrictive covenant and/or non-solicitation provisions of the Agreement, but only upon the ground that the award to which that party may be entitled may be rendered ineffectual without such provisional relief.
- 52.2 The Arbitrator shall be selected by mutual agreement of the Franchisor and Franchisee. Unless You (the Franchisee) and the Franchisor mutually agree otherwise, the Arbitrator shall be an attorney licensed to practice in the location where the arbitration proceeding will be conducted or a retired federal or state judge who presided in the jurisdiction where the arbitration will be conducted. If the Parties cannot agree on an Arbitrator, then an arbitrator will be selected using the alternate strike method from a list of neutral arbitrators provided by the American Arbitration Association ("AAA"). You will have the option of making the first strike. The arbitration shall be conducted in New York County, and except to the extent modified herein, under the AAA's Commercial Arbitration Rules (a copy of which may be obtained from the AAA's website,¹ or as otherwise mutually agreed between You and the Franchisor. Any judgment on the award rendered by the arbitrator may be entered in any court having jurisdiction thereof.
- 52.3 All claims in arbitration must be brought within six months after they occur but in no event more than six months after the termination of your Franchise Agreement. The party bringing the claim must demand arbitration in writing and deliver the written demand by hand or First Class mail to the other party within six months after the termination of your Franchise Agreement. The demand for arbitration shall include identification of the Parties, a statement of the legal and factual basis of the

claim(s), and a specification of the remedy sought. Any demand for arbitration made to the Franchisor shall be provided to Franchisor in writing at the following address: 241 37th Street, Suite 1-4-B460, Brooklyn, New York 11232. The arbitrator shall resolve all disputes regarding the timeliness or propriety of the demand for arbitration.

- 52.4 In arbitration, the Parties will have the right to conduct adequate civil discovery, bring dispositive motions, and present witnesses and evidence as needed to present their cases and defenses, and any disputes in this regard shall be resolved by the Arbitrator. You and the Franchisor agree to resolve any dispute in arbitration on an individual basis only, and not on a class, collective, or private attorney general representative action basis. The Arbitrator shall have no authority to consider or resolve any claim or issue any relief on any basis other than an individual basis. Any claim that all or part of this Class Action waiver is unenforceable, unconscionable, void or voidable may only be determined by a court of competent jurisdiction and not by the Arbitrator. If at any point this Class Action waiver is determined by a court of competent jurisdiction to be unenforceable, the parties agree that this provision shall be severable. The Franchisor shall not be precluded from moving to enforce its rights under the FAA to compel arbitration on the terms and conditions set forth in this Agreement.
- 52.5 Each party will pay the fees for his, her or its own attorneys, subject to any remedies to which that party may later be entitled under applicable law (i.e., a party prevails on a claim that provides for the award of reasonable attorney fees to the prevailing party). In all cases where required by law, the Franchisor will pay the Arbitrator's and arbitration fees. If under applicable law the Franchisor is not required to pay all of the Arbitrator's and/or arbitration fees, such fee(s) will be apportioned equally between the Parties or as otherwise required by applicable law. Any disputes in that regard will be resolved by the Arbitrator.
- 52.6 The Parties will arbitrate their dispute before the Arbitrator, who shall confer with the Parties regarding the conduct of the hearing and resolve any disputes the Parties may have in that regard. Within 30 days of the close of the arbitration hearing, or within a longer period of time as agreed to by the Parties or as ordered by the Arbitrator, any party will have the right to prepare, serve on the other party and file with the Arbitrator a brief. The Arbitrator may award any party any remedy to which that party is entitled under applicable law, and could be awarded individually, in a court of competent jurisdiction. The Arbitrator's decision and award shall be in writing and state the essential findings of fact and conclusions of law. Except as may be permitted or required by law, as determined by the Arbitrator, neither a party nor an Arbitrator may disclose the existence, content, or results of any arbitration hereunder without the prior written consent of all Parties. A court of competent jurisdiction shall have the authority to enter a judgment upon the award made pursuant to the arbitration. The Arbitrator shall not have the power to commit errors of law or legal reasoning, and the award may be vacated or corrected on appeal to a court of competent jurisdiction for any such error.

53. Arbitration is not a mandatory condition of Your contractual relationship with the Franchisor. If You do not want to be subject to this Arbitration Provision, You may opt out of this Arbitration Provision by notifying the Franchisor in writing of your desire to opt out of this Arbitration Provision, either by sending a letter by U.S. Mail, or by any nationally recognized delivery service (e.g, UPS, Federal Express, etc.), or by hand delivery to: to 241 37th Street, Suite 1-4-B-460, Brooklyn, New York 11232. In order to be effective, the letter must clearly indicate Your intent to opt out of this Arbitration Provision, and must be dated and signed. The envelope containing the signed letter must be received (if delivered by hand) or post-marked within 30 days of the date this Agreement was delivered to You. Your writing opting out of this Arbitration Provision will be filed with a copy of this Agreement and maintained by the Franchisor. Should You not opt out of this Arbitration Provision within the 30-day period, You and the Franchisor shall be bound by the terms of this Arbitration Provision. You have the right to consult with counsel of your choice concerning this Arbitration Provision.

Acknowledgment: _____

54. This Arbitration Provision is the full and complete agreement relating to the formal resolution of disputes arising out of this Agreement. In the event any portion of this Arbitration Provision is deemed unenforceable, the remainder of this Arbitration Provision will be enforceable. In the event that a court of law determines that the entire arbitration agreement is unenforceable and that the parties may proceed to court with their dispute, the parties mutually waive the right to a jury trial in any such court proceedings. The provisions apply equally to and are for the benefit of the Franchisee, and the Franchisor together with its subsidiaries and affiliates, and each shall have the right to assert and enforce such provisions directly or on their/its own behalf.
55. The TLC's Rules prohibit a base from overcharging a driver, and define an overcharge as inclusive of the deduction of any cost or fee not specified in a written agreement between the driver and base. Complaints concerning perceived overcharges should be brought to the attention of the Franchisor. If not satisfactorily resolved complaints may be registered with the TLC or 311 (212-639-9675).
56. Except as otherwise specifically set forth herein, all notices, requests and other communications pursuant to this Agreement shall be in writing and shall be deemed to have been duly given (at the time of delivery or mailing) if delivered, sent by facsimile or mailed by first class mail and/or certified mail, return receipt requested, postage prepaid and addressed to the address listed above, or to such other address as any party may have specified by notice in writing to the other party. Any amendments hereto must be made in writing, signed by both parties. Any attempts to modify this Agreement by an exchange of emails will be deemed null and void.
57. This Agreement expresses the entire understanding between the parties and all other understandings, conversations, and agreements are hereby merged herein. This Agreement may be executed in two or more counterparts, each of which shall be deemed an original but all of which together shall constitute a single instrument. An electronic signature (such as DocuSign, or equivalent), or a signature transmitted via facsimile or electronic mail/PDF or equivalent, shall be considered an original for all purposes hereunder.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement as of the date first above written.

INDEPENDENT AUDITOR'S REPORT

To the Shareholders of
Aristacar & Limousine, Ltd.

Opinion

We have audited the accompanying financial statements of Aristacar & Limousine, Ltd. (a NY corporation), which comprise the balance sheet as of December 31, 2023, and the related statements of operations and retained earnings, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Aristacar & Limousine, Ltd. as of December 31, 2023, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Aristacar & Limousine, Ltd. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Aristacar & Limousine, Ltd.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether in the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Aristacar & Limousine, Ltd.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Aristacar & Limousine, Ltd.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

INDEPENDENT AUDITOR'S REPORT

To the Shareholders of
Aristacar & Limousine, Ltd.

Report on the Financial Statements

We have audited the accompanying financial statements of Aristacar & Limousine, Ltd. (a NY corporation), which comprise the balance sheet as of December 31, 2021, and the related statements of operations and retained earnings, and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021

NOTE (1) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

NATURE OF BUSINESS

The Company was formed on October 28, 1997 in the State of New York and operates a radio dispatch service for owner/operators of executive sedans. The Company sells franchise rights to participate in the dispatch service to the owner/operators.

BASIS OF ACCOUNTING

The books and records of the Company are maintained on the accrual basis in accordance with accounting principles generally accepted in the United States of America ("GAAP").

USE OF ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

CASH

Cash consists of demand deposit accounts held at major financial institutions and may at times exceed the insurable amount. Management believes it mitigates its risk by investing in a major financial institution and in funds that are currently U.S. federal government insured. Recoverability of investments is dependent upon the performance of the user.

CASH EQUIVALENTS

For purposes of the statement of cash flows, the Company considers all investments purchased with a maturity date of 90 days or less when purchased to be cash equivalents.

REVENUE

The Company receives monthly dues income from the owner/operators for their participation in the radio group. The Company receives fees for each job performed as discount income and voucher fee income from the owner/operators. The Company recognizes the revenue from the sale of Franchise Rights when collected. All other revenue is recognized when earned.
