How much will I need to invest?	Items 5 and 6 list fees you will be paying to the franchisor or at the franchisor’s direction. Item 7 lists the initial investment to open. Item 8 describes the suppliers you must use.
Does the franchisor have the financial ability to provide support to my business?	Item 21 or Exhibit E includes financial statements. Review these statements carefully.
Is the franchise system stable, growing, or shrinking?	Item 20 summarizes the recent history of the number of company-owned and franchised outlets.
Will my business be the only BLUEFROG PLUMBING + DRAIN business in my area?	Item 12 and the “territory” provisions in the franchise agreement describe whether the franchisor and other franchisees can compete with you.
Does the franchisor have a troubled legal history?	Items 3 and 4 tell you whether the franchisor or its management have been involved in material litigation or bankruptcy proceedings.
What’s it like to be a BLUEFROG PLUMBING + DRAIN franchisee?	Exhibit F lists current and former franchisees. You can contact them to ask about their experiences.
What else should I know?	These questions are only a few things you should look for. Review all 23 Items and all Exhibits in this disclosure document to better understand this franchise opportunity. See the table of contents.

What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, which requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit A.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This Franchise*

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement requires you to resolve disputes with the franchisor by arbitration and/or litigation only in Texas. Out-of-state arbitration or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to arbitrate or litigate with the franchisor in Texas than in your own state.
2. **Minimum Payments.** You must make minimum royalty and advertising payments regardless of your sales levels. Your inability to make the payments may result in termination of your franchise and loss of your investment.
3. **Sales Performance Required.** You must maintain minimum sales performance levels. Your inability to maintain these levels may result in loss of any territorial rights you are granted, termination of your franchise, and loss of your investment.

Certain states may require other risks to be highlighted. Check the “State Specific Addenda” (if any) to see whether your state requires other risks to be highlighted.

**THE FOLLOWING APPLY TO TRANSACTIONS GOVERNED BY
MICHIGAN FRANCHISE INVESTMENT LAW ONLY**

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU.

- (a) A prohibition against you joining an association of franchisees.
- (b) A requirement that you assent to a release, assignment, novation, waiver, or estoppel which would deprive you of rights and protections provided under the Michigan Franchise Investment Law. This does not preclude you, after entering into a franchise agreement, from settling any and all claims.
- (c) A provision that permits the franchisor to terminate your franchise prior to the expiration of its term except for good cause. Good cause includes your failure to comply with any lawful provision of the Franchise Agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- (d) A provision that permits the franchisor to refuse to renew your franchise without fairly compensating you by repurchase or other means for the fair market value at the time of expiration, of your inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This provision applies only if:
 - (i) The term of the franchise is less than five years; and
 - (ii) You are prohibited by the Franchise Agreement or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or if you do not receive at least six months advance notice of the franchisor's intent not to renew the franchise.
- (e) A provision that permits the franchisor to refuse to renew the franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This provision does not require a renewal provision in the Franchise Agreement or other agreement.
- (f) A provision requiring that arbitration or litigation be conducted outside of Michigan. This does not preclude you from entering into an agreement, at the time of the arbitration, to conduct arbitration at a location outside of Michigan.
- (g) A provision that permits the franchisor to refuse to permit a transfer of ownership of the franchise, except for good cause. This provision does not prevent the franchisor from exercising its right of first refusal to purchase the franchise. Good cause includes, but is not limited to:
 - (i) The failure of the proposed transferee to meet the franchisor's then-current reasonable qualifications or standards.

- (ii) The fact that the proposed transferee is a competitor of the franchisor.
- (iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.
- (iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the Franchise Agreement existing at the time of the proposed transfer.

(h) A provision that requires you to resell to the franchisor items that are not uniquely identified with the franchisor. This does not prohibit a provision that grants the franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does it prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if you have breached the lawful provisions of the Franchise Agreement and have failed to cure the breach in the manner provided in (c), above.

(i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to you unless provision has been made for providing the required contractual services.

If the franchisor's most recent financial statements are unaudited and show a net worth of less than \$100,000, the franchisor shall, at the request of a franchisee, arrange for the escrow of initial investment and other funds paid by the franchisee until the obligations to provide real estate, improvements, equipment, inventory, training, or other items included in the franchise offering are fulfilled. At the option of the franchisor, a surety bond may be provided in place of escrow.

**ITEM 4
BANKRUPTCY**

No bankruptcy information is required to be disclosed in this Item.

ITEM 5 INITIAL FEES

Franchise Fee

You must pay us an initial franchise fee when you sign the Franchise Agreement (the “Franchise Fee”). The amount of the Franchise Fee for a standard franchise is \$59,900, plus an additional \$0.15 multiplied by the population in your Market Territory in excess of 450,000. If you are converting an existing plumbing business to a BlueFrog Business, the Franchise Fee is reduced to \$22,500, plus an additional \$0.15 multiplied by the population in your Market Territory in excess of 450,000. Most Market Territories have between 400,000 and 500,000 people, resulting in Franchise Fees ranging from \$59,900 to 67,400 for a standard franchise, and \$22,500 to \$30,000 for a conversion franchise. The Franchise Fee is deemed fully earned when paid and is non-refundable under any circumstances. Except for discounts described below, the Franchise Fee was uniformly applied in our prior fiscal year.

Current Franchisee Discount

If you purchase more than one standard BlueFrog Business at the same time, or if you purchase additional standard BlueFrog Businesses within 2 years of purchasing your first standard BlueFrog Business, you are eligible to receive a discount on the Franchise Fee for the additional BlueFrog Businesses, as follows: (i) \$49,900 for the second franchise; and (ii) \$39,900 for the third or subsequent franchise, in each case, plus an additional \$0.15 multiplied by the population in your Market Territory in excess of 450,000.

Micro Territory Discount

If you are an existing franchisee and wish to acquire an additional franchise for a micro territory the Franchise Fee will be \$0.15 per person in population. Most micro territories will be between 75,000 and 300,000 in population, resulting in a Franchise Fee of \$11,250 to \$45,000. We only offer micro territories as an add-on to an existing and contiguous standard Market Territory.

Veterans Discount

We offer a discounted Franchise Fee to qualifying veterans who have received an honorable discharge from any branch of the United States military before applying to become a franchisee. The veteran’s discount is \$9,000 off the Franchise Fee for a standard franchise, or \$3,000 for a conversion franchise. The discount is only available for the first BlueFrog Business purchased. If the franchisee is a corporation, limited liability company, or other legal entity, the veteran participant must maintain at least a 51% ownership interest in the entity to qualify for this discount. To apply for the veteran’s discount, you must provide us a copy of your active-duty ID or form DD-214 reflecting your military status before the Franchise Agreement is signed.

Combination of Discounts

Discounts may not be combined. Any questions about discounts, including questions about the order in which discounts may be applied, will be resolved by us.

Training Fee

You must pay us a training fee of \$3,000 prior to the start of the Training Program. The training fee is uniformly imposed and non-refundable under any circumstances.

Point-of-Sale System

If you are a conversion franchisee, or if you are an existing franchisee purchasing an existing BlueFrog Business and wish to operate your BlueFrog Businesses under one point-of sale system, you must obtain a point-of-sale system and associated license rights from our designated vendor. We will invoice

you for that amount and remit it to the vendor on your behalf (currently, \$1,750). These amounts are deemed fully earned when paid and are non-refundable under any circumstances.

Technology Fee

You must pay us a monthly Technology Fee (defined in Item 6). You must pay the first monthly installment of the Technology Fee (currently, \$399 / month) when your website and digital channels are set-up, which will be before you open. The Technology Fee is not refundable under any circumstances.

You must also pay us for all costs we incur in the collection of any unpaid and past due amounts, including reasonable attorney fees.
Vendor Cost Reimbursement	Reimbursement all amounts, plus our costs and expenses	Upon demand	We may periodically arrange with vendors to collect and pay fees centrally. If we do so, you may be required to pay us or our affiliates the fees for certain products and services offered and we will pay the vendor on your behalf.

Within 5 business days following expiration or termination of the Franchise Agreement	Payable in lieu of continuing Royalty Fees and Brand Fund Contributions otherwise payable on Uninvoiced Revenue after the date of expiration or termination. "Uninvoiced Revenue" means any and all amounts which would constitute Invoiced Gross Revenue if an invoice had been issued by you for such work on or prior to the date of termination or expiration of the Franchise Agreement.
Lost Revenue Damages	Will vary under circumstances	Within 15 business days of termination	If we terminate your Franchise Agreement because of your default (or if you terminate without cause), you must pay us the net present value of the Royalty Fees and Brand Fund Contributions that would have become due had the Franchise Agreement not been terminated, from the date of termination until the earlier of: (a) 2 years following the date of termination; or (b) the scheduled expiration of the term of the Franchise Agreement (based on the average monthly amount of your Royalty Fees and Brand Fund Contributions during the last 12 months of your regular operations, or if you have been operating your Franchised Business for less than 12 months, on the average monthly Royalty Fees and Brand Fund Contributions of all BlueFrog Businesses during our previous fiscal year).

Notes to Item 6:

1. Except as described in this Item 6, all fees are imposed and collected by and payable to us, though we may transfer these rights to our affiliates. These fees are not refundable. Not all of our fees are uniformly imposed due to individually negotiated terms with certain franchisees. All amounts payable by you to us, or our affiliates must be in United States Dollars (\$USD).

2. You must pay all amounts due under the Franchise Agreement as we periodically prescribe. Currently, we require all payments to be made through an electronic funds transfer account (the "Transfer Account") that allows us to debit the Transfer Account for all amounts you owe us on their due dates or the next business day if the due date is a national holiday or a weekend day. You

must ensure that funds are available in the Transfer Account to cover our withdrawals. If you fail to report your Invoiced Gross Revenue when due, then for each payment under the Franchise Agreement calculated based on Invoiced Gross Revenue, we may debit the Transfer Account 110% of the average of the last three payments. If the amounts that we debit from your account are greater than the amounts you actually owe us, we will credit the excess against the amounts we otherwise would debit from your Transfer Account on the next payment due date. We may require you to make payments through any other method at any time, and you must comply with our payment instructions. We may change the timing and intervals of your payments with 30 days prior notice to you.

3. “Invoiced Gross Revenue” means the aggregate invoiced sale price of all goods, products, labor, parts, merchandise, and services performed by or sold from your Franchised Business, including all proceeds from any business interruption insurance, and without deduction for any fees that we or any other vendor charges from such amounts, but excluding (a) all refunds actually made to customers in good faith; and (b) any sales and equivalent taxes that are collected by you for or on behalf of any governmental taxing authority and paid thereto. If any Invoiced Gross Revenue due to you remains outstanding for more than 1 year after the date of service, the amount of the Royalty Fee that you paid to us on the basis of such accounts receivable will be deducted from the subsequent Royalty Fee you owe us, in an amount not to exceed the original Invoiced Gross Revenue (excluding any late fees, interest, or other amounts accruing on the basis of the late payment).

4. The following table lists the applicable Minimum Royalty Fee and Percentage-Based Royalty Fee for both standard and conversion franchises. With no less than 30 days prior notice, we may increase the amount of the Minimum Royalty Fees in an amount not to exceed the aggregate rate of inflation established by the U.S. Bureau of Labor’s Consumer Price Index since the effective date of your Franchise Agreement, or such later date as we last adjusted the Minimum Royalty Fees.

Months After Opening	Percentage-Based Royalty Fee	Minimum Royalty Fee

	Standard: Sum of following amounts: (i) 6% of initial \$150,000 in monthly Invoiced Gross Revenue; (ii) 5% of monthly Invoiced Gross Revenue between \$150,000 and \$300,000; and (iii) 4% of monthly Invoiced Gross Revenue above \$300,000

With no less than 30 days prior notice, we may increase the amount of the Minimum Brand Fund Contribution in an amount not to exceed the aggregate rate of inflation established by the U.S. Bureau of Labor’s Consumer Price Index since the effective date

of your Franchise Agreement, or such later date as we last adjusted the Minimum Brand Fund Contribution.

Months After Opening	Percentage-Based Brand Fund Contribution	Minimum Brand Fund Contribution
Initial 6 full/partial months	2% of monthly Invoiced Gross Revenue	\$150
7 th through 12 th month	2% of monthly Invoiced Gross Revenue	\$300
13 th month through remainder of term	2% of monthly Invoiced Gross Revenue	\$450

6. You must pay all travel and living expenses (including wages, transportation, food, lodging and workers' compensation) incurred by you and your Key Personnel or any other person incurs during any and all meetings and/or training courses and programs. You must also pay all travel and living expenses (including transportation, food, and lodging) incurred by any of our trainers or staff we send to your Franchised Business to provide training courses or programs.

Notes to Item 7:

1. The estimate in the first table above describes the estimated initial investment for a standard Market Territory that is a newly developed business. The estimate in the second table above describes the estimated initial investment for a standard Market Territory that is converted from an existing plumbing business. The estimate in the third table above is the estimated initial investment for adding a micro Market Territory to any standard franchise that is contiguous with an existing Market Territory. Our estimate above for an add-on micro Market Territory includes only the incremental cost of developing the additional territory as an add-on to your existing business operations.

2. Except as otherwise provided, none of the amounts payable to us or our affiliates in this table are refundable under any circumstances. All amounts payable to third parties will be paid under the terms of your agreement with these respective third parties. We do not offer direct or indirect financing for any of these items.

3. The Franchise Fee for a standard Market Territory is \$59,900 for a non-conversion BlueFrog Business and \$22,500 for a conversion BlueFrog Business, and will increase by \$0.15 per person in the population over 450,000. If you wish to add-on a micro Market Territory to an existing Market Territory, the Franchise Fee will depend on the size of the Market Territory. The Franchise Fee for a micro Market Territory of 75,000 to 300,000 will be \$11,250 to \$45,000, based on \$0.15 per person in the population.

4. This estimate is for your Technology Fee for one month prior to opening and the first three months of operation for a total of four months of payments. This estimate assumes that you have one Market Territory and have not requested any additional user accounts or email addresses.

5. You must either rent or acquire a leased space for your Franchised Business Office. Generally, you will need a minimum of 700 to 1,000 square feet leased space. This figure represents rent for 3 months and includes utility costs and a security deposit to lease the unit. The location of the property and its relationship to and the nature of any adjoining uses will affect both its size and price. The low estimate for a conversion franchise assumes you already have an existing commercial space, whereas the low estimate for a non-conversion franchise assumes you will need to acquire a commercial space. The estimate for an add-on micro territory does not include any incremental cost for a Franchised Business Office as we permit franchisees with an add-on micro Market Territory to operate from the Franchised Business Office in their standard Market Territory.

6. The cost of signage and graphics will depend on lease requirements, local ordinances and restrictions, store frontage, and related factors. The final design must be submitted to us for review and approval.

7. You will need to purchase furniture and fixtures for the Franchised Business Office that meet our specifications and are from approved or designated vendors (where there are approved or designated vendors). You may decide to lease the furniture and/or equipment needed rather than purchasing it with a lump sum payment. A variety of factors (such as the condition of the national and regional economy, availability of credit, number of suppliers leasing products in your area, the interest rates offered by suppliers, duration of leases offered, security requirements, and your credit history) may affect the availability of leased products, the monthly and overall costs of the leases, and other terms relevant to your decision whether to purchase or lease the furniture and/or equipment. If you are a conversion franchise, you may already have the most if not all of the required furniture and fixtures.

8. This estimate covers various service tools and supplies you will need in your initial phase of operation. You are required to obtain these items from us or from our designated sources.

9. You must acquire and use the Technology Systems (defined in Item 11) that we designate. The cost of your Technology Systems will depend on whether you already own any components that must be purchased, freight and installation costs, the cost of internet and connectivity services in your area, applicable state and local taxes and other factors. If you are a conversion franchisee, or if you are an existing franchisee purchasing an existing BlueFrog Business and wish to operate your BlueFrog Businesses under one point-of sale system, you must obtain a point-of-sale system and associated license rights from our designated vendor. We will invoice you for that amount and remit it to the vendor on your behalf (currently, \$1,750).

10. In addition to the cost of the Training Program paid to us as described above, you must incur the costs for you and your trainees to attend Training Program (as defined in Item 11), for you (or if you are a legal business entity, your Owners) and up to three additional persons (one of which must be your Designated Owner or Designated Manager, as applicable). For the estimate above, we assume that you will send between 1 to 3 individuals to training. We do not include fees or costs for any additional trainees. You are responsible for all travel and living expenses (including, wages, transportation, food, lodging, and workers' compensation insurance) that you and your Key Personnel (as defined in Item 11) incur during any and all meetings and/or training courses and programs. The total cost will depend

on the number of people attending, how far you and your Key Personnel will travel, and the type of accommodation chosen. We assume for the estimate above, that all attendees will share one rental car. If we or our representatives travel to your area to conduct any training of any kind, you are also responsible for the travel and living expenses and out-of-pocket costs that we and such representatives incur. The estimate provided does not include the cost of our personnel traveling to your area to provide the Training Program.

11. We will provide you our System Standards for a service vehicle, which you must lease or purchase prior to the start of operations of your Franchised Business. The service vehicle must be wrapped and lettered in accordance with the System Standards and must accommodate the required equipment to operate your Franchised Business. For standard franchises, the low estimate above is based on the first 3 months of leasing costs for 1 new service vehicle including the cost of wrapping the van; and the high estimate includes the estimated purchase price of 1 tradesman van and the cost of wrapping the van. You may obtain more than 1 service vehicle if you wish, but you are not required to do so, and our estimate above does not include more than 1 service vehicle for a standard franchise. If you are a conversion franchise, the low estimate above assumes that you already own 1 to 2 service vehicles, and your costs will only include the \$3,000 per van to obtain new vehicle wraps.

12. The low estimate above assumes you spend \$3,000 per month on local advertising and promotion of your Franchised Business for the first three months of operations, including online and internet marketing and advertising, dues for business organizations and events, or other solicitation and promotional efforts. We also assume that you will spend approximately \$1,600 on initial marketing pieces, sales materials, stationary templates, business cards, letterhead, website domain registration, website template, other supplies and initial fees for proprietary software. However, you may elect to spend more on your grand opening marketing. The amount you spend will depend on several factors, including the local market conditions and the amount of competition in your area, and other factors. You may not use any advertising, promotional, or marketing materials that we have not approved.

13. You must maintain in force at your sole expense the minimum types and amounts of insurance that we require. Our current insurance requirements are detailed in Item 8, though we may change the requirements at any time with written notice to you. Insurance costs depend on policy limits, types of policies, nature and value of physical assets, business revenue, number of employees, location, and other factors bearing on risk exposure. Insurance providers may require either an annual payment or semi-annual installments. The amounts listed above estimate the cost of your premiums for the first 3 months of operations. If you are a conversion franchise, you may already have the required insurance.

14. You must obtain and provide us with copies of all permits and licenses required to operate your Franchised Business, including those specified as mandatory in the Confidential Operations Manual and by state and local law. In addition to business and operating licenses and permits, you may need to become a master or journeyman plumber. The permitting process and attendant licensing and permitting costs will depend on the requirements of your local jurisdiction. If you are a conversion franchise, the low estimate above assumes that you have already obtained all necessary licenses and permits.

15. You may, but are not required to, engage a professional recruiting firm to recruit licensed professionals including master and journeyman plumbers for your Franchised Business. These fees will depend on the prevailing rates of local professionals. The low estimates that you do not engage a professional recruiting firm for such services.

16. You may incur other types of professional fees including fees for legal and accounting services. You may require an accountant and an attorney to provide services to help you form a new business entity to own your Franchised Business and review contracts and other documents, including this Disclosure Document. If you are a conversion franchise, the low estimate above assumes that you have

already paid or already incur many of the costs associated with your first three months operation, and therefore may have minimal incremental costs for operating as a BlueFrog Business.

17. The figures in the chart reflect estimated working capital needs for a three-month period. Additional funds include marketing fees, and operating expenses, including rent, storage space rental costs, utilities, and employees' salaries. These amounts do not include any estimates for debt service on loans that you obtain to finance your Franchised Business, and the estimates do not include any salary for your Owners during the initial phases of operations.

18. In compiling this chart, we relied on our and our affiliates' industry knowledge and experience in developing BlueFrog Businesses and affiliated franchise businesses.

ITEM 8 RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

Specifications for Products, Services and Suppliers

We have developed or may develop standards and specifications for required equipment, supplies, inventory, and other products, assets, and services, including Technology Systems, service vehicles, and any other equipment, supplies, inventory, signage, third-party services, to be used in your Franchised Business. We may require that you purchase and use only the products, assets, and services meeting our System Standards. We may require that you purchase any products or services only from a supplier designed or approved by us, and/or that satisfy our System Standards, which may be a third party vendor or supplier, or may be us or an affiliate of us.

If you wish to use any products, services, or suppliers that we have not approved, you must first send us sufficient information, specifications and samples for us to determine whether the service, product, or supplier complies with our System Standards. You must bear all expenses incurred by us in connection with determining whether we will approve an item, service, or supplier. Currently, we estimate that we will provide notice of our decision to approve or disapprove an alternative supplier within 30 days of receiving the request. We are not required to consider alternative suppliers and we may refuse to consider such requests for any reason. Approval of a supplier may be conditioned on the supplier's ability to provide a sufficient quantity of product; quality of products or services at competitive prices; production and delivery capability; and dependability and general reputation. We may elect not to issue to you or any of our approved suppliers these standards and specifications. Our standards and specifications for products and services and criteria for suppliers are not currently issued to franchisees or approved suppliers. We may revoke our approval of any products, services, or suppliers at any time by providing you notice. You must promptly cease using, selling, or providing any products, services, or suppliers disapproved by us.

Currently, you must purchase: (i) the POS system and software, digital marketing services, bookkeeping and accounting software, digital presence software, and reputation management software, drainage system cleaner, vehicle wraps, and collateral merchandise from an exclusive supplier we designate, and (ii) hiring management software, service vehicles, inventory, uniforms, marketing materials, water heaters and plumbing supplies, equipment rentals, computer and breakroom supplies, contractor employment services, insurance, and other products and services we designate from other approved suppliers.

Neither we nor our affiliates derived any revenue from the sale of products and services to franchisees in the prior fiscal year. None of our officers have an interest in any privately held suppliers, or a material interest in any publicly held suppliers.

Collectively, the purchases you obtain according to our specifications or from approved or designated suppliers represent approximately 70% to 75% of your total purchases to establish your Franchised Business and 60% to 65% of your total purchases to operate your Franchised Business.

Insurance

During the term of the Franchise Agreement, you must maintain in force at your sole expense the minimum types and amounts of insurance that we require as part of our System Standards, including:

- “All risk” property insurance coverage for the replacement value of the assets of your Franchised Business
- Workers’ compensation insurance as required by state law and employer liability coverage with a minimum limit of \$100,000 per incident and \$500,000 for the policy limit
- Comprehensive general liability insurance with a minimum liability coverage of \$1,000,000 per occurrence and an aggregate limit of \$2,000,000
- Business interruption insurance with a minimum coverage of \$100,000
- Automobile liability insurance of at least \$1,000,000
- Errors and omissions coverage in the amount of \$1,000,000

We may require that you obtain all or a portion of your insurance policies from a designated supplier and on the terms and according to the specifications we approve. We may require increased coverage if you wish to serve National Account Clients. The liability insurance must cover claims for bodily and personal injury, death, and property damage caused by or occurring in connection with your Franchised Business’ operation or activities of you and your personnel. We may periodically increase the amounts of coverage required under these insurance policies and/or require different or additional insurance coverages at any time. These insurance policies must be purchased from licensed insurers having a rating of “A/VIII” or higher.

Each insurance policy for liability coverage must name us and any affiliates we designate as additional named insureds, using a form of endorsement that we have approved, and provide for 30 days’ prior written notice to us of a policy’s material modification, cancellation, or expiration.

Revenue Derived from Franchisee Purchases and Leases

We and/or our affiliates may derive compensation or other benefits based on your purchases or leases, including from designated or approved suppliers. We have the right to retain such compensation or benefits and you will have no interest in or claim to such compensation or benefit. Additionally, we may occasionally pay any of our approved or designated suppliers on your behalf, and you must reimburse us for such amounts. Our parent Stellar Brands, LLC currently collects certain flat payments for vendor sponsorships for our annual franchisee conference. Otherwise, neither we nor our affiliates derive revenue in the form of rebates, or other consideration from vendors based on your purchases and leases of certain products and services. Stellar Brands, LLC derived \$151,500 from conference sponsorships for our annual franchisee conference in 2025. Otherwise, neither we nor our affiliates collected any amounts from consideration from vendors based on purchases and leases by franchisees in our last fiscal year ended December 31, 2025.

Other than the foregoing amounts, in our prior fiscal year neither we nor our affiliates received any compensation from suppliers on the basis of sales to franchisees, or from franchisee purchases.

Purchasing Cooperatives and Arrangements

There are no purchasing or distribution cooperatives in existence for the System. We may negotiate purchase arrangements with suppliers, including price terms, for the benefit of franchisees. Currently, we have negotiated purchase agreements (including pricing terms) with suppliers for the following goods and services: water heaters and plumbing supplies, equipment rentals, uniforms, vehicle wraps,

collateral merchandise, computer and breakroom supplies, contractor employment services, bookkeeping and accounting software, digital presence software, hiring management software, and reputation management software. You may be required to purchase these items at a price or on other terms we have negotiated in advance.

We do not provide you with any material benefit (such as renewal rights or additional franchise rights) based on your purchase of particular products or services or use of particular suppliers.

**ITEM 11
FRANCHISOR’S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS, AND TRAINING**

Except as listed below, we are not required to provide you with any assistance.

Before you begin operating your Franchised Business, we will:

1. Make available to you our System Standards for your Franchised Business Office, service vehicle, service tools, and equipment and other equipment and supplies necessary for the establishment and development of BlueFrog Businesses (Franchise Agreement, Sections 1.1, 4 and 11.1). Other than providing you with our System Standards for products and suppliers, we do not otherwise deliver, install, or provide assistance with obtaining equipment, signs, fixtures, opening inventory, or supplies.
2. Make our Training Program available to you (or if you are a business entity, your Owners) and up to three additional persons (one of which must be your Designated Owner or Designated Manager, as applicable) (Franchise Agreement, Section 7.1).
3. Provide you with access to the Confidential Operations Manual (Franchise Agreement, Section 8.2).

Site Selection

If you have not identified the site that will be your Franchised Business Office before you sign your Franchise Agreement, you will have a period of 90 days after signing to obtain our approval of the proposed site of your Franchised Business Office. Currently, we estimate that we will provide notice of our decision to accept or reject a proposed site within 30 days of receiving the request. The criteria we use to evaluate the selected site include visibility, size, layout, adjacent uses, parking, demographics, local competition, and other factors we determine periodically. Neither we nor our affiliates generally own the sites for your Franchised Business Office or lease those sites to franchisees.

The service tools and equipment for your Franchised Business may not be stored at the any location other than the Franchised Business’ Office without our approval. You are solely responsible for obtaining occupancy rights to the Franchised Business Office, and for maintaining, insuring, and paying all associated costs for the Franchised Business Office. You must manage and administer your Franchised Business from the Franchised Business Office, including maintaining the books and records of your Franchised Business at the Franchised Business Office. We may periodically establish System

Standards for the Franchised Business Office, including relating to size, safety, or insurance requirements, and you must comply with all System Standards.

If there is insufficient space at the Franchised Business Office to store your Franchised Business' service tools and equipment, then you may be permitted to store the same off-site within a leased storage unit, provided that you inform us in writing of the location of the storage unit. The storage unit may not display any signage reflecting the Marks. We may periodically establish other System Standards for off-site storage, including relating to size, safety, or insurance requirements, and you must comply with all System Standards for such off-site storage. We may in the future make off-site storage mandatory if we determine that it is necessary to satisfy our System Standards, or that your Franchised Business Office does not offer sufficient storage, though we do not currently do so.

Opening of Franchised Business

We estimate that you will begin operating your Franchised Business within 150 days of signing the Franchise Agreement. We may terminate the Franchise Agreement if you fail to begin operating your Franchised Business within this time period. The date you may begin operating your Franchised Business will depend on whether you have completed all of the following requirements, all of which are mandatory prior to commencing operations: (a) obtain and provided us copies of all certifications, permits and licenses required to operate your Franchised Business, including those specified as mandatory in the Confidential Operations Manual, including master or journey plumber requirements in some jurisdictions; (b) establish the Franchised Business Office; (c) acquire and set-up all required office equipment including broadband or high-speed internet service; (d) acquire and set up at least one telephone number dedicated to your Franchised Business; (e) acquire a service vehicle meeting our System Standards, and have it wrapped and lettered it in accordance with our System Standards; (f) acquire the service tools and equipment required for the operation of your Franchised Business; (g) if necessary, secure off-site storage space for tools and equipment; (h) furnish us with copies of all insurance policies required by your Franchise Agreement, or by the lease, or such other evidence of insurance coverage and payment of premiums as we may request; (i) complete the Training Program to our satisfaction; (j) hire and train the personnel necessary or required for the operation of your Franchised Business; and (k) pay in full all amounts due to us. You may not commence operations until you have met all of the conditions above and our System Standards, and you receive notice from us that you are authorized to open.

Confidential Operations Manual

We will make information about the System Standards, and other suggestions and general guidance for operating a BlueFrog Business available to you, which may include one or more manuals, bulletins, publications, newsletters, memoranda, videos, and other communications from us and our representatives, in printed, electronic, audio/video, or other form (collectively, the "Confidential Operations Manual"). We may modify the Confidential Operations Manual periodically, including changing System Standards. The approximate total number of pages in the Confidential Operations Manual is 102. The Table of Contents of the Confidential Operations Manual, along with number of pages devoted to each section, is included as Exhibit D to this Disclosure Document

After you begin operating your Franchised Business, we will:

1. Indemnify you if anyone challenges your right to use the Marks, provided you have complied with your Franchise Agreement (Franchise Agreement, Section 5.4).
2. Continue to provide you with access and modifications to the Confidential Operations Manual (Franchise Agreement, Sections 8 and 11.1).
3. Administer the Brand Fund, as required by the terms of the Franchise Agreement (Franchise

Agreement, Section 9.2).

4. Establish prices charged to National Account Clients and prices for products or services sold through any Franchise System Website (as defined below) (Franchise Agreement, Sections 11.11 and 11.12).

Advertising and Promotion

Local Advertising. You are solely responsible for conducting all local advertising for your Franchised Business. We are not obligated to spend any particular amount on advertising in your area or Market Territory. You must advertise and market your Franchised Business in any advertising medium we determine, using forms of advertisement we approve. You must also list your Franchised Business with the online directories and subscriptions we periodically prescribe, and/or establish any other Online Presence we require. You must comply with all of our System Standards for your advertising. All advertising materials that you use and any advertising activities that you conduct must be factually accurate, conform to the highest standards of ethical advertising, and comply with all federal, state and local laws. You must ensure your advertisements and promotional materials do not infringe upon the intellectual property rights of others.

You must submit to us, for our approval prior to use, all advertising and promotional materials that you wish to use to promote your Franchised Business and/or that display the Marks. You may not use any advertising, promotional, or marketing materials that we have not approved in writing. We may revoke our approval of any advertising, promotional, or marketing materials at any time. You must promptly cease using any advertising, promotional, or marketing materials disapproved by us.

We may require you to spend a minimum of up to 2% of Invoiced Gross Revenue, each month on advertising, promotions, and public relations for your Franchised Business in your Market Territory (“Local Advertising Expenditure”). We will determine what type of expenditures will count towards your Local Advertising Expenditure. Digital Marketing Fees paid to us will be counted towards your Local Advertising Expenditure. Indirect costs you incur in managing your local advertising campaigns, such as salaries and benefits of employees administering the campaigns, will not be counted towards your Local Advertising Expenditure. Additionally, any costs you incur for advertising conducted at the Franchised Business Office and/or on service vehicle(s), such as vehicle wraps, will not be counted towards your Local Advertising Expenditure. At our request, you must send us an accounting of your Local Advertising Expenditures. We may periodically require you to pay part or all of the Local Advertising Expenditure to us or our designee for local marketing. We may at any time, on one or more occasions, with at least 30 days’ notice to you, change the proportion of the Local Advertising Expenditure that you must spend directly, versus paying to us or our designee.

Brand Fund. We have established and administer a marketing, advertising, and promotion fund to facilitate advertising and marketing efforts for the BLUEFROG PLUMBING + DRAIN® brand, the franchise system, any products or services offered by BlueFrog Businesses, and/or any BlueFrog Businesses (“Brand Fund”). You must contribute monthly to the Brand Fund an amount specified below (“Brand Fund Contribution”). If we own any BlueFrog Businesses in the future, they may, but are not required to, contribute to the Brand Fund at the same rate required for franchisees. Currently, we require you to pay the greater of the Minimum Brand Fund Contribution and Percentage-Based Brand Fund Contribution as your Brand Fund Contribution each month, as follows:

Months After Opening	Percentage-Based Brand Fund Contribution	Minimum Brand Fund Contribution
Initial 6 full/partial months	2% of monthly Invoiced Gross Revenue	\$150

Months After Opening	Percentage-Based Brand Fund Contribution	Minimum Brand Fund Contribution
7 th through 12 th month	2% of monthly Invoiced Gross Revenue	\$300
13 th month through remainder of term	2% of monthly Invoiced Gross Revenue	\$450

With no less than 30 days prior notice, we may increase the amount of the Minimum Brand Fund Contribution in an amount not to exceed the aggregate rate of inflation established by the U.S. Bureau of Labor’s Consumer Price Index since the effective date of your Franchise Agreement, or such later date as we last adjusted the Minimum Brand Fund Contribution .

We have exclusive control over all programs and services administered by the Brand Fund, with sole control over creative concepts, materials and media used in such programs, and the placement and allocation thereof. We do not guarantee that any particular franchisee will benefit directly from expenditures by the Brand Fund, or that any such expenditures will be in proportion to any franchisee’s contributions. The program(s) may be local, regional, or national in scope. We do not guarantee the results of any Brand Fund programs, services, or expenditures in any manner. The Brand Fund may pay for preparing and producing video, audio, and written materials and electronic media; developing, implementing, and maintaining any Online Presences, software, applications or other technology solutions; administering advertising, marketing, and promotional campaigns and programs; using public relations and marketing agencies and other advisors to provide assistance; conducting customer surveys and programs; developing market research and other marketing strategy or implementation activities; and/or any other expenditures that are directly or indirectly related to promoting the Marks, the System, the BLUEFROG PLUMBING + DRAIN® brand, and/or BlueFrog Businesses. We may also use the Brand Fund to pay for the Brand Fund’s other administrative and overhead costs, including the reasonable salaries and benefits of personnel who manage and administer the Brand Fund, and any other expenses that we or our affiliates incur that are related to administering or directing the Brand Fund and its programs. We may modify Brand Fund programs, services, or expenditures at any time. We do not anticipate using any Brand Fund allocations to principally solicit new franchise sales. We may modify Brand Fund programs, services, or expenditures at any time. If all of the Brand Fund Contributions are not spent in the fiscal year in which they accrue, the remaining amounts are retained in the Brand Fund for use in the following years.

We may at any time, on 30 days’ prior written notice to you, reduce or suspend Brand Fund Contributions and/or operations of the Brand Fund for one or more periods of any length and terminate (and, if terminated, reinstate) the Brand Fund and associated Brand Fund Contributions. If we terminate the Brand Fund, we will first pay all outstanding invoices and debts incurred by the Brand Fund, and then we will return the remaining balance to franchisees in proportion to their Brand Fund Contributions in the 12 months prior to such termination.

We may elect to maintain multiple Brand Funds or the administration thereof, whether determined by geographic region, country, or otherwise, or consolidate or merge multiple Brand Funds or the administration thereof, in each case provided that each such Brand Fund will otherwise remain subject to the terms of the Franchise Agreement. The Brand Fund is not a trust, and we assume no fiduciary duty in administering the Brand Fund.

An accounting of the operation of the Brand Fund will be prepared annually and will be available to you upon written request. We retain the right to have the Brand Fund reviewed or audited and reported

on, at the expense of the Brand Fund, by an independent certified public accountant selected by us. We may also administer the Brand Fund through a separate entity whenever we deem appropriate, and such entity will have all of the rights and duties reserved to us. During our last fiscal year ended December 31, 2025, we spent the Brand Fund Contributions in the following manner: 49.31% on production and media placement, 25.73% on administration expenses, 0.0% on public relations, and 24.96% on other expenses (including website, guest satisfaction, creative, and local store marketing). We did not spend any amounts principally to solicit franchise sales.

Other than participation in the Brand Fund under the terms described above, you are not required to participate in any local or regional advertising cooperatives.

Franchisee Advertising Council. Currently, there is no franchisee advertising council that provides us with guidance or suggestions regarding advertising and marketing matters.

Franchise System Website. We may establish, acquire, or host any Online Presence (as defined below) to advertise, market, and promote BlueFrog Businesses and/or the BLUEFROG PLUMBING + DRAIN® brand, the products, and services that they offer and sell, and/or a franchise opportunity (a “Franchise System Website”). We may (but are not required to) provide information on any Franchise System Website about your Franchised Business. You must: (i) provide us the information and materials we request to develop, update, and modify the description of your Franchised Business on any Franchise System Website; and (ii) notify us whenever any information on any Franchise System Website is not accurate. We will own all intellectual property and other rights in all Franchise System Websites, including as it relates to your Franchised Business, and including all information contained on any Franchise System Websites (including the account information and preferences, login credentials, analytic data and reports, user submitted content and data, and all messages and other information or materials directed to or from other messaging platforms associated with any Franchise System Website). We have the right to temporarily or permanently remove references to your Franchised Business from any or all Franchise System Websites if you or your Owners or affiliates are in default of any obligation under your Franchise Agreement or our System Standards, and/or upon the expiration or termination of your Franchise Agreement. We may require you to obtain from us and use an email address associated with our registered domain name. If we require you to obtain and use such an email address, you must do so according to our then-current System Standards. We will have unrestricted access to and sole ownership of all such email accounts, and all document, data, materials, and messages shared from or by such accounts. We may deactivate any such account or limit your or your users’ access to it at any time.

Your Online Activities. Except as approved by us in writing or specified in the Confidential Operations Manual, you may not develop, maintain, or authorize any website, domain name, email address, social media account, or other online, electronic, virtual or digital presence of any kind (“Online Presence”) that displays any of the Marks, promotes or advertises your Franchised Business, links to any Online Presence maintained by us for the brand, or engage in any promotional or similar activities, whether directly or indirectly, and/or offer any products or services for sale on any Online Presence. If we approve the use of any Online Presence, you must develop and maintain such Online Presence only in accordance with our guidelines, including guidelines for posting any messages or commentary on other third-party platforms, preparing and linking a privacy policy to such Online Presence, and other System Standards we may establish periodically. At our request, you must grant us or our designees access to each such Online Presence, and to take whatever action (including signing assignment or other documents) we request to gain access, control, or ownership of such Online Presence.

Technology Systems

You must acquire and use all hardware, software, and IT systems that we specify periodically, including computer, point-of-sale, financial, telecommunications, security and similar systems,

together with the associated hardware, software, applications, integrations, and related equipment and services (collectively the “Technology Systems”). We may establish System Standards for the Technology Systems and/or require the use of designated Technology Systems for any purpose associated with your Franchised Business, including purchasing, estimating, pricing, scheduling, accounting, order entry, inventory control, security, data management, information storage, retrieval and transmission, customer information, customer programs, marketing, communications, or any other business purpose. We may require that you, at your expense, acquire new or substitute Technology Systems, and/or replace, upgrade or update existing Technology Systems, upon reasonable prior notice.

Currently, the Technology Systems are comprised of: (i) 800MHz Pentium IV, Dual Core, or Xeon based processor, (ii) 32GB RAM, (iii) 60GB hard disk, (iv) VGA Monitor (minimum 1024x768 Graphics display), (v) secure internet connection; (vi) Windows compatible plotter or wide-format printer to print pages 24”; (vii) Windows compatible printer for standard paper size; (viii) Landline telephone with at least three separate lines and a voice message system; (ix) Digital Cameras; (x) Two 23” monitors; (xi) QuickBooks and Qvinci financial accounting software; (xii) Bird Eye reputation management software, (xiii) Yext digital presence software; and (xiv) One iPad for each service expert. We estimate the total start-up costs for your Technology Systems will range from \$400 to \$2,000. The high end includes the cost of purchasing a point-of-sale system and associated license rights from our designated vendor for \$1,750, if you are a conversion franchisee, or if you are an existing franchisee purchasing an existing BlueFrog Business and wish to operate your BlueFrog Businesses under a single point-of sale system. Additionally, we charge a \$399 per month per Market Territory Technology Fee to each franchisee to help cover the costs associated with certain technology that we make available to our franchisees. Our monthly Technology Fee is based on a certain number of user accounts for certain software and services. We charge \$25 per month for each additional user for certain software services, and \$10 per month per email address if you want more than 5 email addresses.

You are responsible for all fees, costs and expenses associated with acquiring, licensing, utilizing, updating, and upgrading the Technology Systems. Certain components of the Technology Systems must be purchased or licensed from designated or approved third party suppliers, which may be us or our affiliates. We may also enter into master agreements with third-party suppliers relating to any components of the Technology Systems and then charge you for all amounts that we must pay to these suppliers based upon your use.

You do not have to enter into any ongoing maintenance or support agreements for the maintenance of your computer or the various software programs, but you may find it advantageous to do so. The annual costs of entering into maintenance, update, upgrading, or support contracts may range from \$250 to \$750 per year, depending on your area and which maintenance provider you employ. You may periodically be required to update or upgrade computer hardware and software, if we believe it is necessary. We may introduce new requirements or modify our specifications and requirements for computer and point-of-sale systems. There are no limitations on our rights to do so.

You must take all steps necessary to enable us to have independent access to certain data collected through the Technology Systems which we designated from time to time, including information regarding your Invoiced Gross Revenue, relating to customers and jobs completed, and any other information relating to your Franchised Business. You must provide us, upon request, with all user IDs and passwords for your Technology Systems, including upon termination or expiration of the Franchise Agreement.

Training

Training Program. We will provide a training program on the material aspects of operating a BlueFrog Business (the “Training Program”) to you (or your Owners) and up to three additional persons (one of which must be your Designated Owner or Designated Manager, as applicable) (together, your “Key Personnel”). You must pay us \$3,000 for the Training Program.

You may invite additional persons to attend the Training Program if space allows. If we approve such requests, we may charge our then-current training fee (currently, \$1,000 per day, per trainee, plus expenses) for each additional person attending the Training Program, and/or for any portion of the Training Program conducted more than one time to accommodate the schedules of your attendees. We will determine the identity and composition of the trainer(s) conducting all portions of the Training Program. We will also determine the length and content of the Training Program. We may vary the Training Program based on the experience and skill level of the individual(s) attending. Scheduling of the Training Program is based on your and our availability and the projected opening of your Franchised Business.

Your Key Personnel must complete the Training Program to our satisfaction before beginning to operate your Franchised Business. If any of your Key Personnel fail to satisfactorily complete the Training Program, we may require such person(s) to attend additional training at a time and location of our choice, and we will charge you our then-current training fee (currently, \$1,000 per day, per trainee, plus expenses) for such additional training. If you and your Key Personnel complete the Training Program to our satisfaction and have not expressly informed us at the end of the Training Program that they do not feel sufficiently trained in the operation of your Franchised Business, then you and your trainees will be deemed to have been trained sufficiently.

If you hire a new Designated Manager or your Designated Owner changes, the new Designated Manager or Designated Owner must attend and successfully complete our then-current Training Program before providing services to your Franchised Business, and you must pay our then-current training fee for such training.

The Training Program is offered on an as needed basis at our training location in The Colony, Texas, or another location we designate, which may include conducting any portion of the Training Program virtually. The time frames provided in the chart below are an estimate of the time it will take to complete training. Our Training Program is currently supervised by Richard James Fulghum, our Vice President of Operations who has less than a year of experience with us and our affiliates, and approximately 19 years of experience in the plumbing industry. Currently, the Training Program is comprised of the following training modules:

Personnel Training. You must train all of your employees, contractors, and personnel at your sole cost and expense. We may periodically require you to disclose to us the training curriculum and materials that you use to train your personnel, and/or set System Standards relating to the training that you offer (including requiring third-party training or certification courses technical programs), to ensure that all personnel receive appropriate training to conduct your Franchised Business in accordance with our System Standards, but these minimum requirements are solely intended to protect our System and the goodwill of the Marks.

Additional Training. Subject to limitations on scheduling, availability, and similar resources, we may provide you with advice periodically regarding your Franchised Business. Our advice and guidance will be furnished in the formats we periodically designate, which may include updates to our Confidential Operations Manual, written bulletins and newsletters, via telephone or electronic meetings, and/or consultation at our offices. We may modify or discontinue any ongoing training or advice we provide at any time. You may request additional training for you, your Owners, or your personnel, periodically. If we agree to provide you such additional training, we and you will jointly determine the duration of this additional training, and we may charge you our then-current training fee for such additional training (currently, \$1,000 per day, per trainee, plus expenses). If you fail to attend any annual/regional meetings we designate, we may require you to attend additional training, and charge our then-current training fee for such training (currently, \$1,000 per day, per trainee, plus expenses). In addition, if we determine that you are not operating your Franchised Business in full compliance with our System Standards, we may require that your Key Personnel attend additional training, and we may charge our then-current training fee for such training plus expenses.

We may require you and your Key Personnel and/or other personnel to attend various training courses, trade shows, ongoing education programs, and/or webinars at the times and locations designated by us, which may be offered by us or our affiliates, vendors, or other designees of ours. In addition to these training courses, programs, and events, we may additionally require you and/or any of your Key Personnel to attend periodic meetings of franchise owners or managers. These meetings will be held at the times and locations we designate, and we may charge meeting or conference fees up to \$1,000 (currently, \$399 per attendee, per conference).

Training Expenses. You must pay all travel and living expenses (including, wages, transportation, food, lodging, and workers' compensation insurance) that you and your Key Personnel or any other person incurs during any and all meetings and/or training courses and programs. If we or our representatives travel to your area to conduct any training of any kind, you are also responsible for the travel and living expenses and out-of-pocket costs that we and such representatives incur to provide you and your personnel with any training.

ITEM 12 TERRITORY

Your Market Territory

You will not receive an exclusive territory. You may face competition from other franchisees, outlets that we own, or from other channels of distribution or competitive brands that we control.

You and we will agree on a geographic area to act as your Market Territory. The Market Territory may be defined by ZIP codes, political boundaries, geographic boundaries, or roads. A standard Market Territory will have a population of 400,000 to 500,000. In some cases, we may award a micro Market Territory of 75,000 to 300,000 to an existing franchise acquiring an additional Market Territory that is contiguous with its existing Market Territory. The source of the data for determining population is our territory mapping program, GbBIS. You may not relocate your Franchised Business' Market Territory and/or the Franchised Business Office without our prior written consent.

Without our prior authorization, you and your Owners may not, and each of you will cause your respective affiliates, representatives, and personnel not to: (i) conduct any marketing, advertising, or promotional activities for your Franchised Business and/or using the Marks or the System outside of your Market Territory, and/or (ii) solicit orders, jobs, or projects from customers outside of your Market Territory and/or that would be conducted outside of your Market Territory in each case, including that you may not use any channels of distribution, such as the Internet, catalog sales, telemarketing, or other direct marketing to conduct such solicitation or activities. If these territorial limitations are violated, in addition to our right to terminate your Franchise Agreement for your breach, we have the right to require you to pay damages equal to: (i) \$5,000 per incident for any marketing, advertising, or promotional activities conducted outside of your Market Territory, or (ii) 100% of the job value for any work obtained in breach of the territorial limitations.

During the term of your Franchise Agreement, if you and your Owners and affiliates are in full compliance with your Franchise Agreement and all other agreements with us and our affiliates, we will not establish or operate, or grant any other person the right to establish or operate, a BlueFrog Business with an office located in your Market Territory. Otherwise, nothing will restrict or limit our or our affiliates' rights to conduct any other business activities in any location whatsoever, including in your Market Territory, including that we and our affiliates expressly reserve the right to: (i) conduct marketing, advertising, or promotional activities of any kind and/or solicit or accept customers of any kind, in any location whatsoever, including in your Market Territory, including through alternative distribution channels and/or the Internet, catalog sales, telemarketing, or other direct marketing sales; and/or (ii) conduct services and perform jobs and/or grant other parties the right to conduct services and perform jobs, including services to National Accounts Clients, in any location whatsoever, including in your Market Territory. We do not have to pay you any compensation to conduct these activities.

You may not engage in any promotional or similar activities, or sell any products or services, whether directly or indirectly, through any Online Presence, without our prior approval. You are not granted any options, rights of first refusal or similar rights to acquire additional territories or franchises.

Minimum Performance Criteria

Under the terms of your Franchise Agreement, you are required to achieve the following minimum performance criteria: beginning with the 25th month of operation, your Franchised Business must achieve average Invoiced Gross Revenue of at least \$30,000 per month (total Invoiced Gross Revenue during the prior trailing six-month period, divided by six). There is no minimum performance criteria during the first 2 years of operations of your Franchised Business. With no less than 30 days prior

notice, we may increase the amount of the minimum average monthly Invoiced Gross Revenue in an amount not to exceed the aggregate rate of inflation established by the U.S. Bureau of Labor’s Consumer Price Index since the date of your Franchise Agreement, or such later date as we last adjusted the minimum average monthly Invoiced Gross Revenue. If you fail to achieve the minimum average monthly Invoiced Gross Revenue, we may terminate your rights in your Market Territory and/or terminate your Franchise Agreement.

Affiliated Franchised Programs

As described further in Item 1, we are under common control with entities that operate other franchised brands. Currently none of our affiliated brands offers full-service plumbing services, but our affiliate Zoom Drain Franchise LLC offers franchises for business that provide certain drain cleaning, sewer inspections, and septic services. These affiliated franchises may be located within close proximity to your Franchised Business, including within your Market Territory, and they may solicit or accept orders from customers near your Franchised Business or in your Market Territory. If a conflict should arise between any BlueFrog Business and any other business operated or franchised by an affiliate of ours, we will analyze the conflict and take any action or no action as we deem appropriate. We currently have the same corporate office and training facility as our affiliate that offers “Restoration 1®,” franchises, but different corporate offices and training facilities as our affiliates offering “PatchMaster®” and “ZOOM DRAIN®” franchises.

ITEM 15 OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISE BUSINESS

Designated Owner

If you operate your Franchised Business through a legal entity, you must identify one of your Owners who is a natural person with at least a 10% direct or indirect ownership interest and voting power in that entity (your “Designated Owner”). We must approve the person that will act as your Designated Owner. Your Designated Owner will be authorized to deal with us on your behalf for all matters that may arise with respect to your Franchise Agreement. Any decision made by the Designated Owner will be final and binding on you and we will be entitled to rely solely on the decision of the Designated Owner without discussing the matter with any other party. The person acting as your Designated Owner must have full corporate power and authority to enter into the Franchise Agreement and any other documents to which you are a party, and to make binding decisions on your behalf.

Designated Manager

Subject to the terms and conditions of your Franchise Agreement, you (or if you operate through a legal entity, your Designated Owner) will be solely responsible for the management, direction and control of your Franchised Business. If you (or your Designated Owner) do not wish to supervise the day-to-day operations of your Franchised Business, then you may request that we approve an alternative person to supervise the day-to-day affairs of your Franchised Business (your “Designated Manager”). We may establish conditions for approving any such Designated Manager or Designated Owner, as applicable, which may include the completion of training, confirmation that such individual will have no competitive businesses activities, and/or execution of a non-disclosure agreement (that we approve or designate) or other covenants we require. You (or your Designated Owner) or your Designated Manager, as applicable, must supervise the management and day-to-day operations of your Franchised Business on a full-time basis and continuously exert best efforts to promote and enhance your Franchised Business and the goodwill associated with the Marks.

Obligations of Owners and Other Key Personnel

If you enter into your Franchise Agreement as a legal business entity, each person who holds a direct or indirect ownership, voting, or beneficial interest in you (an “Owner”) must execute a guaranty, agreeing to be personally bound, jointly and severally, by all provisions of the Franchise Agreement and any ancillary agreements between you and us and/or our affiliates. Our current form of Guaranty and Assumption of Obligations is attached as an exhibit to the current form of Franchise Agreement. We may also require that your Owners, Key Personnel, management level employees and officers, and other representatives that will have access to Confidential Information to sign certain covenants we designate.

You will remain fully liable for all obligations under your Franchise Agreement for all operations from your Franchised Business, including those performed by any approved subcontractors. You will also be fully liable for the actions, omissions, and performance of any and all subcontractors and their personnel. Your obligation to indemnify us against liability from your Franchised Business will apply to operations by your subcontractors.

ITEM 16 RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL

Authorized Products and Services

You must provide or offer for sale or use at your Franchised Business all of the services, products, supplies, equipment, and other items that we periodically designate. You may not offer or provide any other services, products, supplies, equipment, or other items as part of your Franchised Business without our express approval. You may not offer or provide any other products and services, and/or permit any of your affiliates, employees, Owners, or other representatives to offer or provide any other products and services, related to or arising in connection with any project conducted by your Franchised Business, without our approval.

You may not offer or sell any products or services from your Franchised Business at wholesale, for resale, or through other alternative distribution channels, including any Online Presence, or to other franchisees, without our prior written approval.

We are not required to authorize every BlueFrog Business to offer the same services, products, supplies, equipment, and other items. We may condition our approval for you to offer any services, products, supplies, equipment and other items on our then-current criteria, including your compliance with your Franchise Agreement.

You and your Owners may not, and each of you will cause your respective affiliates, representatives, and personnel not to: (i) conduct any marketing, advertising, or promotional activities for your Franchised Business and/or using the Marks or the System outside of your Market Territory, and/or (ii) solicit orders, jobs, or projects from customers outside of your Market Territory and/or that would be conducted outside of your Market Territory.

Pricing

You will have the sole right to determine the prices to be charged by your Franchised Business for services offered to customers, other than prices charged to National Accounts Clients, which we will negotiate in advance with our National Accounts Clients.

National Accounts Clients

We or our affiliates may periodically enter into agreements with clients that require service (the “National Account Clients”). We may provide these services ourselves or through our affiliates or designees, and/or may subcontract servicing rights to one or more third parties or franchisees. We may establish criteria or qualifications for franchisees that wish to service National Accounts Clients, including different service standards, requirements for accepting or declining jobs, insurance requirements, agreeing to certain terms and conditions, or other conditions we establish. If we offer you the right to provide services to a National Account Client, you must provide the services in accordance with all of our System Standards, plus the terms, fees, and conditions that we have negotiated with the National Account Client. We may invoice the National Account Client and collect payment directly. We may also charge our then-current fees for participation in the program, including dispatch, management, declined job, or other administrative fees.

Service Warranties

Certain products and services offered to customers by your Franchised Business may be subject to one or more customer warranties, guarantees, commitments and/or similar customer service programs, including those offered by you and your affiliates and/or third-party service providers and manufacturers that offer products and services used by your Franchised Business (collectively, “Service Warranties”). During and after the term of your Franchise Agreement, you must honor all Service Warranties made to customers of your Franchised Business, including using your best efforts to assist customer of your Franchised Business tendering claims to any third-party serviced providers and manufacturers. You must obtain our approval of all Service Warranties before you offer them to customers of your Franchised Business. We may establish System Standards for any such Service Warranties periodically. All Service Warranties offered by your Franchised Business are strictly your obligation and responsibility and are not offered or guaranteed in any manner by us.

If you fail to honor any Service Warranties to your customers, we may take any action we deem appropriate to honor such Service Warranties, including by providing any services or products or support ourselves, or through our designees, affiliates, or other franchisees, and you must reimburse us any and all costs incurred by us, our designees, affiliates, representatives, or other franchisees. We may require you to pay us a reasonable deposit, post a bond, or offer another form of financial assurance to us to support any Service Warranties offered by your Franchised Business.

PUBLIC FIGURES**

We do not use any public figures to promote our franchise.

**ITEM 19
FINANCIAL PERFORMANCE REPRESENTATIONS**

The FTC's Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in this Disclosure Document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

As of December 31, 2025, there were a total of 43 franchised territories. Some franchisees operate multiple franchised territories (each franchised territory is a separate BlueFrog Business). Most franchisees that operate multiple franchised territories do not separately report Invoiced Gross Revenue for each franchised territory. As a result, we have provided Invoiced Gross Revenue data on a “per franchisee” basis (not on a “per territory” basis). The financial performance data below is provided in separate tables based on the number of franchised territories each franchisee operates.

This financial performance representations presented below include 2025 Invoiced Gross Revenue data for the 10 franchisees operating a total of 27 franchised territories during the full 2025 calendar year. We excluded data for the following franchisees:

- (i) 14 franchised territories that were not operating during the entire 2025 calendar year because they opened after January 1, 2025;
- (ii) 2 franchised territory that failed to report their 2025 Invoiced Gross Revenue to us; and
- (iii) 6 franchised territories that were terminated and/or ceased operations during 2025, of which none had been operating for less than 12 months as of the date of termination or closure.

The following table lists the 2025 Invoiced Gross Revenue for the 2025 calendar year for the remaining 10 reporting franchisees operating a total of 27 franchised territories.

2025 Invoiced Gross Revenue					
Number of Territories Operated by Franchisee	Average Invoiced Gross Revenue	Franchisees Meeting or Exceeding Average	Median	Lowest	Highest
1	747,841	1 of 4 – 25%	\$330,789	\$217,625	\$2,112,162
2 +	\$1,641,060	3 of 6 – 50%	\$1,738,144	\$494,586	\$2,461,184

NOTES

“Invoiced Gross Revenue” means the aggregate invoiced sale price of all goods, products, labor, parts, merchandise, and services performed by or sold from each Franchised Business, including all proceeds from any business interruption insurance, and without deduction for any fees that we our any other vendor charges from such amounts, but excluding (a) all refunds actually made to customers in good faith; and (b) any sales and equivalent taxes that are collected for or on behalf of any governmental

taxing authority and paid thereto. If any accounts receivable remains outstanding for more than 1 year after the date of service, the amount of that accounts receivable is deducted from the calculation of Invoiced Gros Revenue, in an amount not to exceed the original Invoiced Gross Revenue (excluding any late fees, interest, or other amounts accruing on the basis of the late payment).

The figures in the chart do not reflect the operating costs and expenses that you will incur in operating your Franchised Business, such as royalties, advertising and marketing fees and costs, payroll, vehicle finance or lease payments, insurance, telephone, utilities, and central telephone number fees. These figures also do not include depreciation or amortization or taxes.

Some outlets have earned this amount. Your individual results may differ. There is no assurance you will earn as much. Written substantiation of the data used in preparing this information will be made available upon reasonable request.

Other than the preceding financial performance representation, we do not make any representations about a franchisee’s future financial performance or the past financial performance of company-owned or franchised outlets. We also do not authorize our employees or representatives to make any such representations either orally or in writing. If you are purchasing an existing outlet, however, we may provide you with the actual records of that outlet. If you receive any other financial performance information or projections of your future income, you should report it to the franchisor’s management by contacting Jessica Wescott, Chief Executive Officer, BlueFrog Plumbing and Drain, LLC, 6270 Morning Star Drive, Suite 120, The Colony, TX 75056, (800) 933-0803; the Federal Trade Commission, and the appropriate state regulatory agencies.

BLUEFROG PLUMBING AND DRAIN, LLC FRANCHISE AGREEMENT

This Franchise Agreement (including all exhibits hereto, as amended, restated, supplemented, or otherwise modified from time to time, this “**Agreement**”) is entered into on the Effective Date by and between BlueFrog Plumbing and Drain, LLC a Delaware limited liability company, having its principal place of business at 6270 Morning Star Drive, Suite 120, The Colony, Texas 75056 (“**we**” “**us**” and “**our**”), and the franchisee identified in the Summary Page (“**you**” and “**your**”).

BACKGROUND:

WHEREAS, we have developed and will further develop distinctive and proprietary business systems, methods, designs, layouts, standards, and specifications, all of which we may improve, substitute, further develop, or otherwise modify from time to time (together, the “**System**”) identified by the name “BlueFrog Plumbing + Drain®” and other trademarks, service marks, graphics, trade names, trade dress, slogans, and other commercial symbols as we may approve from time to time (“**Marks**”), to establish and operate a business providing plumbing services, drain cleaning services, water and gas leak detection and repair services, and water heater, water softener, water filtration system services and additional products and services authorized by us (“**BlueFrog Business**”);

WHEREAS, we grant to qualified persons and business entities the right to own and operate a BlueFrog Business using the System and the Marks; and

WHEREAS, you wish to operate a BlueFrog Business, have applied for a franchise, and have been approved by us in reliance upon the representations made herein and therein to operate a BlueFrog Business under the terms of this Agreement.

NOW, THEREFORE, the parties hereto, intending to be legally bound, agree as follows:

1. GRANT AND SCOPE OF FRANCHISE

1.1. Grant

We hereby grant to you, and you undertake and accept, upon the terms and conditions herein contained, a limited and non-exclusive license to operate one BlueFrog Business using the System and Marks on the terms described in this Agreement (your “**Franchised Business**”). You may not sublicense the use of the System or Marks to any person, or delegate the operation or supervision of your Franchised Business, without our prior written approval.

1.2. Market Territory

1.2.1. You and we have agreed on a geographic area described on the Summary Page of this Agreement (the “**Summary Page**”) to act as your territory for conducting marketing activities and soliciting customers (the “**Market Territory**”). You hereby agree that, without our prior authorization, you and your Owners will not, and each of you will cause your respective affiliates, representatives, and personnel not to: (i) conduct any marketing, advertising, or promotional activities for your Franchised Business and/or using the Marks or the System outside of your Market Territory, and/or (ii) solicit orders, jobs, or projects from customers outside of your Market Territory and/or that would be conducted outside of your Market Territory.

1.2.2. You acknowledge and agree that it is integral to the franchise system that you respect the territorial restrictions contained in this Agreement, and that your failure to respect such boundaries affects not only other franchisees but also our relationship with our other franchisees and the integrity of the franchise system itself. You further acknowledge and agree that the harm caused by such failure

would be difficult to calculate. Therefore, you agree that if you breach the terms of Section 1.2.1, without limiting our other rights including our right of termination under Section 12.2, you must pay us liquidated damages in an amount equal to the greater of: (i) \$5,000 per incident for any marketing, advertising, or promotional activities conducted outside of your Market Territory in breach of Section 1.2, or (ii) 100% of the job value for any work obtained in breach of Section 1.2. You acknowledge and agree that the foregoing amount represents a reasonable forecast of just compensation for the breach.

1.2.3. During the term of this Agreement, provided that you and your Owners and each of your and their respective affiliates are in full compliance with this Agreement and all other agreements with us and our affiliates, we agree that we will not establish or operate, or grant any other person the right to establish or operate, a BlueFrog Business with an office located in your Market Territory. You acknowledge and agree that the foregoing provides your sole territorial protection of any kind, and nothing in this Agreement or otherwise will restrict or limit, in any manner, our or our affiliates' rights to conduct any other business activities in any location whatsoever, including in your Market Territory, including that we and our affiliates expressly reserve the right to: (i) conduct marketing, advertising, or promotional activities of any kind and/or solicit or accept customers of any kind, in any location whatsoever, including in your Market Territory; and/or (ii) conduct services and perform jobs and/or grant other parties the right to conduct services and perform jobs, including services to National Accounts Clients, in any location whatsoever, including in your Market Territory.

2. FEES

2.1. Franchise Fee

Upon execution of this Agreement, you must pay us an initial franchise fee ("**Franchise Fee**") in the amount stated on the Summary Page. The Franchise Fee is deemed fully earned upon execution of this Agreement and is non-refundable under any circumstances.

2.2. Royalty Fee

2.2.1. You must pay us a monthly royalty fee calculated in the manner described on the Summary Page ("**Royalty Fee**"). The due date and intervals of the Royalty Fee will remain subject to change from time to time, provided that they will not be changed without at least 30 days prior notice to you. With no less than 30 days prior notice, we may increase the amount of the Minimum Royalty Fees reflected on the Summary Page in an amount not to exceed the aggregate rate of inflation established by the U.S. Bureau of Labor's Consumer Price Index since the Effective Date, or such later date as we last adjusted the Minimum Royalty Fees.

2.2.2. For the purposes of this Agreement, "**Invoiced Gross Revenue**" means the aggregate invoiced sale price of all goods, products, labor, parts, merchandise, and services performed by or sold from your Franchised Business, including all proceeds from any business interruption insurance, and without deduction for any fees that we or any other vendor charges from such amounts, but excluding (a) all refunds actually made to customers in good faith; and (b) any sales and equivalent taxes that are collected by you for or on behalf of any governmental taxing authority and paid thereto.

2.2.3. If any Invoiced Gross Revenue due to you ("**Accounts Receivable**") remains outstanding for more than 1 year after the date of service, the amount of the Royalty Fee that you paid to us on the basis of such Accounts Receivable will be deducted from the subsequent Royalty Fee you owe us, in an amount not to exceed the original Invoiced Gross Revenue (excluding any late fees, interest, or other amounts accruing on the basis of the late payment).

2.3. Digital Marketing Fee

Upon execution of this Agreement, and continuing during the term of this Agreement, you must pay to us a monthly digital marketing fee in the amount specified by us from time to time (the “**Digital Marketing Fee**”). The Digital Marketing Fee must be paid at intervals and on the due dates we specify. We may periodically modify the amount of the Digital Marketing Fee and/or the method or timing for payment. The Digital Marketing Fee is in addition to all direct out-of-pocket costs you must otherwise incur to conduct marketing for your Franchise Business, provided that such amount will count towards your Local Marketing Expenditure (defined in Section 9.1.3).

2.4. Taxes

If any taxes, fees, or assessments are imposed on your payment of any fees (except taxes imposed on your net taxable income), you must also pay the amount of those taxes, fees, or assessments. If we for any reason pay any such taxes on your behalf, such amounts will be indemnified by you under Section 16.2 of this Agreement.

2.5. Technology Fee

We require you to pay a technology fee in the amount specified on the Summary Page (the “**Technology Fee**”). We may periodically modify the amount of the Technology Fee and the method or timing for payment at any time during the Term; provided, the Technology Fee will not increase by more than 15% per year on a compounding basis, unless our direct costs are in excess of that amount, in which case not more than our direct costs at the time of such increase. The Technology Fee is in addition to all direct out-of-pocket costs you must otherwise incur to acquire, maintain, or service the Technology Systems as described in Section 10.3. We may also require you to reimburse us for certain costs determined in part by factors that are unique to your Franchised Business (such as the number of email addresses provided to you and your representatives).

2.6. Transfer Account and Payment Method

You must open and maintain a single commercial deposit account for your Franchised Business (the “**Transfer Account**”). All Invoiced Gross Revenue from your Franchised Business must be deposited in the Transfer Account immediately upon receipt. You must ensure that there are sufficient funds in the Transfer Account to cover amounts owed to us prior to the date such amounts are due. You agree to execute such documents required by us to authorize us to directly debit amounts owed under this Agreement from the Transfer Account. The current form of Electronic Depository Transfer Authorization is attached to this Agreement as Exhibit 3. You may not close the Transfer Account without our prior written approval. We may periodically designate an alternative method of payment for any payment due hereunder and you agree to comply with our payment instructions. All amounts payable to us or our affiliates must be in United States Dollars (\$USD).

2.7. Interest on Past Due Amounts

All amounts owed under this Agreement to us that are not received by us on the due date, will bear interest at a rate of 1.5% per month (or the maximum rate permitted by law, if less) from the date payment is due to the date payment is received by us. In addition, you must pay us for all costs we incur in the collection of any unpaid and past due amounts, including reasonable attorney fees.

2.8. Undisclosed Sales

If you fail to report your Invoiced Gross Revenue when due, then for each payment under this Agreement calculated based on Invoiced Gross Revenue, we may debit the Transfer Account 110% of the average of the last three applicable payments. If the amounts that we debit from the Transfer

Account are less than the amounts actually owed (once the Invoiced Gross Revenue is accurately determined), we will debit the Transfer Account for the balance. If the amounts that we debit from the Transfer Account are greater than the amounts actually owed, we will credit the excess against the amounts we otherwise would debit from the Transfer Account on the next payment due date.

2.9. Application of Payments

Notwithstanding any designation, we have the right to apply any payments by you or your Owners to any past due amounts that you or your affiliates owe us or our affiliates, including for Royalty Fees, Brand Fund Contributions, purchases of products or services, license fees for proprietary software and platforms, or any other amount owed to us or our affiliates in any proportion or priority. You may not withhold payment of any amounts owed to us or our affiliates for any reason, including for any alleged nonperformance by us or off-set such amounts in any manner.

3. TERM AND RENEWAL

3.1. Initial Term

9.2. Brand Fund

9.2.1. We have established and administered a marketing, advertising and promotion fund to facilitate advertising and marketing efforts for the BLUEFROG PLUMBING + DRAIN® brand, the franchise system, any products or services offered by BlueFrog Businesses, and/or any BLUEFROG PLUMBING + DRAIN Businesses (“**Brand Fund**”). You hereby agree to contribute monthly to the Brand Fund calculated in the manner described on the Summary Page (“**Brand Fund Contribution**”). The Brand Fund Contribution must be paid by you in the manner we designate from time to time, which may include collecting amounts in the same manner as the Royalty Fees. With no less than 30 days prior notice, we may increase the amount of the Brand Fund Contribution reflected on the Summary Page in an amount not to exceed the aggregate rate of inflation established by the U.S.

Bureau of Labor's Consumer Price Index since the Effective Date, or such later date as we last adjusted the Brand Fund Contribution.

9.2.2. We have exclusive control over all programs and services administered by the Brand Fund, with sole control over creative concepts, materials and media used in such programs, and the placement and allocation thereof. We do not guarantee that any particular franchisee will benefit directly from expenditures by the Brand Fund, or that any such expenditures will be in proportion to any franchisee's contributions. The program(s) may be local, regional or national in scope. We do not guarantee the results of any Brand Fund programs, services, or expenditures in any manner. The Brand Fund may pay for preparing and producing video, audio, and written materials and electronic media; developing, implementing, and maintaining any Online Presences, software, applications or other technology solutions; administering advertising, marketing, and promotional campaigns and programs; using public relations and marketing agencies and other advisors to provide assistance; conducting customer surveys and programs, developing market research and other marketing strategy or implementation activities; and/or any other expenditures that are directly or indirectly related to promoting the Marks, the System, the BLUEFROG PLUMBING + DRAIN® brand, and/or BlueFrog Businesses. We may also use the Brand Fund to pay for the Brand Fund's other administrative and overhead costs, including the reasonable salaries and benefits of personnel who manage and administer the Brand Fund, and any other expenses that we or our affiliates incur that are related to administering or directing the Brand Fund and its programs. We may modify Brand Fund programs, services, or expenditures at any time in our sole discretion.

9.2.3. We will keep a record of the Brand Fund separately from our other funds, though we are not required to hold such funds in a separate account. The Brand Fund may spend in any fiscal year more or less than the total Brand Fund Contributions in that year, borrow from us or others (paying reasonable interest) to cover deficits, or invest any surplus for future use. We have the right, but no obligation, to use collection agents and institute legal proceedings to collect Brand Fund Contributions at the Brand Fund's expense. We may also forgive, waive, settle, and compromise all claims by or against the Brand Fund in our sole discretion.

9.2.4. We may at any time, on 30 days' prior written notice to you, reduce or suspend Brand Fund Contributions and/or operations of the Brand Fund for one or more periods of any length and terminate (and, if terminated, reinstate) the Brand Fund and associated Brand Fund Contributions. If we terminate the Brand Fund, we will first pay all outstanding invoices and debts incurred by the Brand Fund, and then we will return the remaining balance to franchisees in proportion to their Brand Fund Contributions in the 12 months prior to such termination.

9.2.5. We may elect to maintain multiple Brand Funds or the administration thereof, whether determined by geographic region, country, or otherwise, or consolidate or merge multiple Brand Funds or the administration thereof, in each case provided that each such Brand Fund will otherwise remain subject to the terms of this Agreement.

9.2.6. An accounting of the operation of the Brand Fund will be prepared annually and will be available to you upon request. We retain the right to have the Brand Fund reviewed or audited and reported on, at the expense of the Brand Fund, by an independent certified public accountant selected by us. We may also administer the Brand Fund through a separate Business Entity whenever we deem appropriate, and such Business Entity will have all of the rights and duties specified in this Section.

9.2.7. You acknowledge that the Brand Fund is not a trust and we assume no fiduciary duty in administering the Brand Fund.

We may temporarily or permanently remove references to your Franchised Business from any or all Franchise System Websites if you or your Owners or affiliates are in default of any obligation under this Agreement or our System Standards, and/or upon the expiration or termination of this Agreement. We reserve the right to require you to obtain from us and use an email address associated with our registered domain name. If we require you to obtain and use such an email address, you must do so according to our then-current System Standards. You acknowledge and agree that we will have unrestricted access to and sole ownership of all such email accounts, and all document, data, materials, and messages shared from or by such accounts. We may deactivate any such account or limit your or your users’ access to it at any time.

We may periodically change the intervals or due dates for reports described above, provided we provide you with no less than 30 days' notice prior to any such change.

10.3. Technology Systems

10.3.1. You must acquire and use all hardware, software, and IT systems that we specify from time to time, including computer, point-of-sale systems, financial software, telecommunications, security and similar systems, together with the associated hardware, software, applications, integrations, and related equipment and services (collectively the “**Technology Systems**”). We may establish System Standards for the Technology Systems and/or require the use of designated Technology Systems for any purpose associated with your Franchised Business, including purchasing, estimating, pricing, scheduling, accounting, order entry, inventory control, security, data management, information storage, retrieval and transmission, customer information, customer programs, marketing, communications, or any other business purpose. We may require that you, at your expense, acquire new or substitute Technology Systems, and/or replace, upgrade or update existing Technology Systems, upon reasonable prior notice.

10.3.2. You must take all steps necessary to enable us to have independent access to certain data collected through the Technology Systems which we designate from time to time, including information regarding your Invoiced Gross Revenue, relating to customers and jobs completed, and any other information relating to your Franchised Business. Certain components of the Technology Systems must be purchased or licensed from designated or approved third party suppliers, which may be us or our affiliates. We also reserve the right to enter into master agreements with third-party suppliers relating to any components of the Technology Systems and then charge you for all amounts that we pay to these suppliers based upon your use of the software, technology, equipment, or services provided by the suppliers.

10.4. Information Security.

11.1.1. You must provide or offer for sale or use at your Franchised Business all of the services, products, supplies, equipment and other items that we from time to time designate. You may not offer or provide any other services, products, supplies, equipment, and other items as part of your Franchised Business without our express approval. You may not offer or provide any other products and services, and/or permit any of your affiliates, employees, Owners, or other representatives to offer or provide any other products and services, related to or arising in connection with any project conducted by your Franchised Business, without our prior written approval. We are under no obligation to authorize every BlueFrog Business to offer the same services, products, supplies, equipment, and other items. We may condition our approval for you to offer any services, products, supplies, equipment and other items on our then-current criteria, including your compliance with this Agreement.

11.1.3. You agree to obtain and use the equipment, supplies, inventory, and other products, assets, and services we designate from time to time as meeting our System Standards, including your Technology Systems, service vehicles, and any other equipment, supplies, inventory, signage, third-party services, and signs and other products and services that we approve for BlueFrog Businesses. We may require that you purchase any products or services only from a supplier designed or approved by us, and/or that satisfy our System Standards (which may be a third-party vendor or supplier, or may be us or our affiliate). In addition, we may, at our option, arrange with designated vendors, to collect or have our affiliates collect fees and expenses associated with products and services, to provide such services to you and, in turn, pay the vendor on your behalf for such products or services. If we elect to do so, you agree that we or

our affiliates may auto debit your Transfer Account for such amounts in the same manner and using the same authorization that you grant us with respect to payment of Royalty Fees and other fees.

11.1.4. If you wish to use any products, services, or suppliers that we have not approved (for products and services that require our approval), you must first send us sufficient information, specifications and samples for us to determine whether the service, product, or supplier complies with our System Standards. We are not required to consider alternative suppliers and we may refuse to consider such requests for any reason. You must bear all expenses incurred by us in connection with determining whether we will approve an item, service or supplier. Approval of a supplier may be conditioned on the supplier's ability to provide a sufficient quantity of product; quality of products or services at competitive prices; production and delivery capability; and dependability and general reputation. Nothing in this Section will be construed to require us to approve any particular supplier, or to require us to make available to prospective suppliers, standards and specifications that we deem confidential. If you (or if you are a Business Entity, your Designated Owner) do not wish to supervise the day-to-day operations of your Franchised Business, then you may request that we approve an alternative person to supervise the day-to-day affairs of your Franchised Business (your "**Designated Manager**"). We may establish conditions for approving any such Designated Manager or Designated Owner, as applicable, which may include the completion of training, confirmation that such individual will have no competitive businesses activities, and/or execution of a non-disclosure agreement (that we approve or designate) or other covenants we require. You (or if you are a Business Entity, your Designated Owner) or your Designated Manager, as applicable, must supervise the management and day-to-day operations of your Franchised Business on a full-time basis and

continuously exert best efforts to promote and enhance your Franchised Business and the goodwill associated with the Marks.

11.6.1. You shall secure and maintain in force all required operational and professional licenses, permits and certificates necessary for the operation of your Franchised Business, including all zoning and local permits necessary to operate your Franchised Business from the Franchised Business Office, and shall operate your Franchised Business in full compliance with all applicable laws, ordinances, and regulations. We make no representation to you with regard to any legal requirements that you must satisfy or comply with in connection with the operation of your Franchised Business. You shall be solely responsible for investigating and complying with all such laws, ordinances, and regulations with regard to the operation of your Franchised Business.

11.6.2. You agree not to, and to cause all employees, agents, representatives, and any other person or entity associated with you not to, during the term of this Agreement, take any action or refrain from taking any action that would cause such person or entity to become a target of any such laws and regulations.

11.7. Notification of Proceedings and Breaches

You must notify us not more than five days after the commencement of any action, suit or proceeding involving you or your Franchised Business, or the issuance of any order, writ, injunction, judgment, award, or decree which may affect the operation or financial condition of your Franchised Business. You must deliver to us within 2 days of receipt a copy of any and all notices you receive from any person, Business Entity or governmental authority claiming that you, your representatives, or your Franchised Business has violated any laws, regulations, permits, licenses, agreements or other committed any other breach, default or violation in connection with your Franchised Business, and/or that any audit, investigation, or similar proceeding by any such person or governmental authority is pending or threatened against you on the basis of any of any the foregoing, including any default notices from any landlord or supplier, any violation notices from a health or safety regulatory board,

and any customer complaints alleging violations of law, or which may otherwise adversely affect your operation or financial condition or that of your Franchised Business..

You acknowledge that the quality of customer service and the demeanor of you and your employees is material to this Agreement and the relationship created and hereby. Therefore, you agree to give prompt, courteous, and efficient service to customers of your Franchised Business and to cause your Franchised Business to adhere to the highest standards of honesty, fair dealing and ethical conduct in all dealings with its customers, vendors and the general public. We have the right to intervene and satisfy any customer that we determine was not properly addressed by you, including by refunding the customer for any amounts we deem appropriate, and you must reimburse us for such refunded amounts or other remedies we offer any customer.

11.9. Call Center Program

If we require, you will participate in the call center program, as it exists from time to time, which may include using and publishing a telephone number we designate, receiving calls from a call center established and operated by us, engaging a designated service provider (which may be us, our affiliate, or a third party) to answer calls, set customer appointments, and provide other related services, and acquiring, installing, and using related technology, and using designated service providers. You must pay all fees imposed by the service provider for these services and enter into any related user or service agreements. At any time that a call center program is not implemented, you must arrange for the answering of all incoming phone calls during regular business hours. In addition to our other remedies under this Agreement, if you fail to comply with this requirement on two or more occasions, then we may require you to engage the services of a professional call center services provider approved in advance by us, at your expense.

11.10. Minimum Performance Criteria

You agree to use your best efforts to promote and increase the sales and recognition of services offered through your Franchised Business. There are no minimum performance criteria during the first 2 years of operations of your Franchised Business. Beginning with the 25th month of operation, your Franchised Business must achieve average Invoiced Gross Revenue per month no less than the minimum average monthly revenue specified on the Cover Page (calculated as total Invoiced Gross Revenue during the prior trailing six-month period, divided by six). With no less than 30 days prior notice, we may increase the amount of the minimum average monthly Invoiced Gross Revenue reflected on the Summary Page in an amount not to exceed the aggregate rate of inflation established by the U.S. Bureau of Labor's Consumer Price Index since the Effective Date, or such later date as we last adjusted the minimum average monthly Invoiced Gross Revenue.

11.11. National Account Clients

We or our affiliates may periodically enter into agreements with clients that require service (the "National Account Clients"). We may, at our election, provide these services ourselves or through our affiliates or designees, and/or may subcontract servicing rights to one or more third parties or franchisees, in our discretion. If you are eligible to service these National Account Clients and are interested in doing so, you may be required to sign one or more National Account Service Agreements identifying the conditions under which products and services will be provided. We may establish criteria or qualifications for franchisees that wish to service National Accounts Clients, including different service standards, requirements for accepting or declining jobs, insurance requirements, agreeing to certain terms and conditions, or other conditions we establish. If we offer you the right to

provide services to a National Account Client, you must provide the services in accordance with all of our System Standards, plus the terms, fees, and conditions that we have negotiated with the National Account Client. We may invoice the National Account Client and collect payment directly. We may also charge our then-current fees for participation in the program, including dispatch, management, declined job, or other administrative fees. In such cases, we will deduct from the payment any applicable fees and any amounts calculated under this Agreement on the basis of such Invoiced Gross Revenue, and remit to you the balance within a reasonable time following receipt. We may set-off any amount that we owe you for any National Account job against any amount you or your affiliates owe us and our affiliates under this Agreement or any other agreement..

11.12. Pricing

You shall have the sole right to determine the prices to be charged by your Franchised Business for services offered to customers, other than prices charged to National Accounts Clients, which we will negotiate in advance with our National Accounts Clients.

11.13. Periodic Visits and Inspections

We or our designees may make periodic visits, which may be announced or unannounced, to your Franchised Business, and/or any job site for services conducted by your Franchised Business. We may observe, photograph and record (audio and video), and otherwise monitor your Franchised Business operations, remove samples, inspect your Technology Systems, speak with your customers or personnel, and/or conduct customer surveys or other market research and testing. If we determine after any inspection that one or more failures of System Standards exist, or any circumstance exists that prevent us or our designees from properly inspecting your Franchised Business or any job site, we may re-inspect one or more times thereafter to evaluate whether such failures have been cured and/or conduct any other follow-up review that we deem is necessary, and you will reimburse all of our and our designees' costs associated with the failed inspection and/or such re-inspections and follow-up visits, including supplier fees, travel expenses, room and board, and compensation of our employees. These remedies are in addition to our other remedies and rights under this Agreement and applicable law.

11.14. Insurance Coverage

11.14.1. During the term of this Agreement, you must maintain in force at your sole expense the minimum types and amounts of insurance that we require as part of our System Standards. We reserve the right to require that you obtain all or a portion of your insurance policies from a designated supplier and on the terms and according to the specifications we approve. We reserve the right to require increased coverage if you wish to service National Accounts Clients. The liability insurance must cover claims for bodily and personal injury, death, and property damage caused by or occurring in connection with your Franchised Business' operation or activities of you and your personnel. We may periodically increase the amounts of coverage required under these insurance policies and/or require different or additional insurance coverages at any time. These insurance policies must be purchased from licensed insurers having a rating of "A/VIII" or higher.

11.14.2. Each insurance policy for liability coverage must name us and any affiliates we designate as additional named insureds, using a form of endorsement that we have approved, and provide for 30 days' prior written notice to us of a policy's material modification, cancellation or expiration. Each insurance policy must contain a waiver of all subrogation rights against us, our affiliates and their successors and assigns. You must routinely furnish us copies of your Certificates of

Insurance or other evidence of your maintaining this insurance coverage and paying premiums. If you fail or refuse to obtain and maintain the insurance we specify, in addition to our other remedies including termination, we may (but are not required to) obtain such insurance for you and your Franchised Business on your behalf, in which event you agree to cooperate with us and reimburse us on demand for all premiums, costs and expenses we incur in obtaining and maintaining the insurance, plus a reasonable fee.

11.14.3. Our requirements for minimum insurance coverage are not representations or warranties of any kind that such coverage is sufficient for your Franchised Business' operations. Such requirements represent only the minimum coverage that we deem acceptable to protect our interests. It is your sole responsibility to obtain insurance coverage for your Franchised Business that you deem appropriate, based on your own independent investigation. We are not responsible if you sustain losses that exceed your insurance coverage under any circumstances.

11.15. Service Warranties

11.15.1. You acknowledge and agree that certain products and services your Franchised Business provides to customers may be subject to one or more customer warranties, guarantees, commitments and/or similar customer service programs, including those offered by you and your affiliates and/or third-party service providers and manufacturers that offer products and services used by your Franchised Business (collectively, "**Service Warranties**"). During and after the term of this Agreement, you agree to honor all Service Warranties made to customers of your Franchised Business, including using your best efforts to assist customers of your Franchised Business tendering claims to any third-party serviced providers and manufacturers. You must obtain our approval of all Service Warranties before you offer them to customers of your Franchised Business. We may establish System Standards for any such Serviced Warranties from time to time. Notwithstanding any System Standards, approvals, or support we provide relating to Service Warranties, you acknowledge and agree that all Service Warranties offered by your Franchised Business are strictly your obligation and responsibility, and are not offered or guaranteed in any manner by us or our affiliates.

11.15.2. 13.1. Actions to be Taken

Upon termination or expiration, this Agreement and all rights granted hereunder to you shall terminate and you shall immediately, at your own expense:

(a) Cease to operate your Franchised Business and cease all use of the Marks and the System, unless we instruct you otherwise in connection with our exercise of our option to purchase your Franchised Business under Section 13.3;

(b) Remove all materials bearing the Marks from all equipment, service vehicles, and any and all other supplies and equipment, and take all other actions we designate to avoid association between you and your assets and us, the "BLUEFROG PLUMBING + DRAIN®" brand and System, unless we instruct you otherwise in connection with our exercise of our option to purchase your Franchised Business under Section 13.3;

(c) Cease to represent to the public or hold yourself out as a present or former franchisee of ours, and take all action as may be necessary to cancel or assign to us, at our option, any assumed name or equivalent registration filed with state, city or county authorities which contains the name “BLUEFROG PLUMBING + DRAIN®” or any other Mark;

If you fail to take any of the actions or refrain from taking any of the actions described above, we may take whatever action and sign whatever documents we deem appropriate on your behalf to cure the deficiencies. You must reimburse us for all costs and expenses we incur in correcting any such deficiencies. You hereby appoint us your true and lawful attorney-in-fact to take such actions and execute such documents on your behalf as may be required to affect the foregoing purposes.

13.2. Final Payments

13.2.1. Within 5 business days following expiration or termination of this Agreement, you must pay us a final payment in an amount equal to: (a) any Royalty Fees, Brand Fund Contributions, or other fees accrued and unpaid as of the date of expiration or termination; plus (b) the product of your Uninvoiced Revenue as of the date of expiration or termination, multiplied by the aggregated rate of your Royalty Fee and Brand Fund Contribution as of the date of termination or expiration, as applicable. Such amounts are payable in lieu of the Royalty Fees and Brand Fund Contributions that would otherwise be payable on Invoiced Gross Revenue after the date of expiration or termination.

13.2.2. As used in this Agreement, the term “**Uninvoiced Revenue**” means any and all amounts which would constitute Invoiced Gross Sales if an invoice had been issued by you for such work on or prior to the date of termination or expiration of this Agreement.

13.2.3. If you terminate this Agreement in any manner other than Section 12.3, or if we terminate this Agreement due to your default, the parties acknowledge and agree that it would be difficult, if not impossible, to determine the amount of damages that we would suffer due to the loss or interruption of the revenue we otherwise would have otherwise derived through the remainder of the term of this Agreement. Therefore, you and we hereby agree that a reasonable estimation of such damages, less any cost savings we might have experienced, is an amount equal to the net present value

of the Royalty Fees and Brand Fund Contributions that would have become due had this Agreement not been terminated, from the date of termination until the earlier of: (a) 2 years following the date of termination; or (b) the scheduled expiration of the term of this Agreement. For the purposes of this Section 13.2.3, Royalty Fees and Brand Fund Contributions will be calculated based on your average monthly Invoiced Gross Revenue during the 12 full calendar months immediately preceding the last date of regular operations of your Franchised Business; provided, that if your Franchised Business was not operating for a full 12 months as such date, such calculations will be based on the average monthly Invoiced Gross Revenue of all BlueFrog Businesses during our fiscal year immediately preceding the termination date. You must pay us the foregoing amounts within 15 business days of termination of this Agreement. You and we agree that the calculation described in this Section 13.2.3 is a calculation only of the lost revenue to us from Royalty Fees and Brand Fund Contributions based on the early termination, and that nothing herein shall preclude or limit us from proving and recovering any other damages caused by your breach of the Agreement.

13.3. Our Option to Purchase Certain Business Assets

We have the right, but not the obligation, for 30 days after termination or expiration of this Agreement, to purchase any or all assets of your Franchised Business including improvements, service vehicles, service tools and equipment, supplies and other inventory. The purchase price for the assets will be equal to their depreciated book value, excluding any value attributable to the Marks, the System, and/or participation in our franchise system. If we and you cannot agree on fair market value, fair market value will be determined by an independent accredited appraiser we appoint, which appraiser will be bound by the criteria for the purchase price described herein, and you and we will share equally the cost of such appraiser. If we elect to exercise our option to purchase any or all assets of your Franchised Business, we have the right to set off all amounts due from you or your affiliates to us or our affiliates, if any, against the purchase price. If we purchase any or all assets of your Franchised Business, we are entitled to all customary warranties and representations, including representations and warranties as to ownership and condition of and title to assets; liens and encumbrances on assets; validity of contracts and agreements; and liabilities affecting the assets, contingent or otherwise. We have the unrestricted right to assign our option to purchase.

13.4. Interim Operations

13.4.1. We have the right, but not the obligation, to operate your Franchised Business on an interim basis, or to appoint a third party to operate your Franchised Business on an interim basis: (1) if you abandon or fail actively to operate your Franchised Business for a period of more than 5 consecutive days; (2) at any time after the death or incapacity of you (if you are conducting business as an individual) or any of your Owners (if you are conducting business as an Entity), if your Franchised Business is at any time not being managed properly, as required by Section 14.2.6; or (3) if this Agreement expires or is terminated and we are transitioning your Franchised Business operations to us or another person we designate, or determining whether to do so.

13.4.2. If we elect to operate your Franchised Business on any interim basis, you must cooperate with us and our designees, continue to support the operations of the Franchised Business, and comply with all of our instructions and System Standards, including making available any and all books, records, and accounts. You understand and acknowledge that during any such interim period, you are still the owner of the Franchised Business, and you continue to bear sole liability for any and all accounts payable, obligations, and/or contracts, including all obligations under any lease and all obligations to your vendors and employees and contractors, unless and until we expressly assume them in connection with the purchase of the Franchised Business under Section 13.3. You understand that we are not required to use your employees, vendors, or accounts to operate the Franchised Business.

You also agree that we may elect to cease such interim operations of the Franchised Business at any time with notice to you.

13.4.3. If we operate your Franchised Business on an interim basis, we will receive the Invoiced Gross Revenue of your Franchised Business, in an account we designate, which may be your business account and/or the business account of ours or one of our affiliates or designees. We will account for and deduct from such Invoiced Gross Revenue all operating expenses of your Franchised Business, including: (a) any applicable Royalty Fee, Brand Fund Contributions, and other amounts due to us or our affiliates, (b) any and all of our and our affiliates' and our designee's costs and expenses arising from such interim operations, which you hereby agree that you will reimburse in full as an operating expense of your Franchised Business, and (c) our then-current interim management fee, which is currently 5% of Invoiced Gross Revenue, but may be increased up to \$1,000 per day. If the Invoiced Gross Revenue derived from the operations of your Franchised Business is less than the amount of the associated expenses during the time of any interim operations, you are solely responsible for the balance of all such expenses and costs, including reimbursement of our and our affiliates' and designee's costs and expenses and our then-current fee, and payment of any Royalty Fees, Brand Fund Contributions, and other amounts due to us or our affiliates. We may collect any amounts owed to us, our affiliates, or designees directly from any received Invoiced Gross Revenue, and/or pay over such amounts to us, our affiliates, or designees in any manner we see fit. If we or our designee operate the Franchised Business on an interim basis, you acknowledge that we or our designee will have a duty to utilize only reasonable efforts and will not be liable to you or your owners for any debts, losses, or obligations your Franchised Business incurs, or to any of your creditors for any supplies, products, or other assets or services your Franchised Business' purchases, while we or our designee manage it.

13.4.4. Our decision to operate the Franchised Business on an interim basis, will not affect our right to terminate this Agreement under Section 12.2. Your indemnification obligations set forth under Section 16.2 will continue to apply during any period that we or our designee operate the Franchised Business on an interim basis.

13.5. Survival of Certain Provisions

All obligations under this Agreement, which expressly or by their nature survive the expiration or termination of this Agreement, shall continue in full force and effect subsequent to and notwithstanding their expiration or termination and until satisfied or by their nature expire, including the following provisions, which the parties agree will survive termination or expiration hereof, without limiting the generality of the foregoing: Section 5.1 (Intellectual Property), Section 6 (Covenants), Section 10.4 (Information Security), Section 11.15 (Service Warranties), Section 13 (Rights and Duties Upon Expiration or Termination), Section 16 (Relationship and Indemnification), Section 17 (General Conditions and Provisions), and Section 18 (Dispute Resolution).

14.1. Transfer by Franchisor

This Agreement and all rights and duties hereunder are fully transferable in whole or in part by us and such rights will inure to the benefit of any person to whom transferred; provided, however, that with respect to any assignment resulting in the subsequent performance by the assignee of our functions, the assignee shall assume our obligations hereunder and we will thereafter have no liability for the performance of any obligations contained in this Agreement. You agree that we have the right to delegate the performance of any portion or all of our obligations under this Agreement to third party designees, whether these designees are our agents or independent contractors with whom we have

contracted to perform these obligations; provided, that such delegation will not relieve our obligations under this Agreement.

A transfer of your Franchised Business' ownership, management, possession, or control, or substantially all of its assets, may be made only with a transfer of this Agreement. Any purported transfer without such approval shall be null and void and shall constitute a material breach of this Agreement.

14.2.2. We will review each transfer in our sole discretion, and may condition our approval on any factors we determine, including that:

(a) All obligations owed by you or your affiliates to us and our affiliates, and all other outstanding obligations relating to your Franchised Business, are fully paid and satisfied;

(b) You and your Owners have materially complied with this Agreement during the term hereof, and you and your Owners are not at the time you request consent for the transfer (or at any time between the date of such request and the time of the transfer) in violation of any term of this Agreement;

14.2.3. We may review all information regarding your Franchised Business that you give the prospective transferee, correct or supplement any information that we believe is inaccurate or incomplete, and give the prospective transferee copies of any reports regarding your Franchised Business. Our consent to a transfer pursuant to this Section is not a representation of the fairness of the terms of any contract between you and the prospective transferee, a guarantee of your Franchised Business' or prospective transferee's prospects of success, or a waiver of any claims we have against you or your Owners, or of our right to demand the prospective transferee's full compliance with this Agreement.

14.2.4. Notwithstanding anything to the contrary, if you enter into this Agreement as an individual, if you and your Owners are in full compliance with this Agreement, you may transfer this Agreement to an Business Entity in which you maintain management control, and of which you own and control 100% of all outstanding ownership, beneficial, and voting interests; provided, that (i) that Business Entity will own all of your Franchised Business' assets, and will conduct all of your Franchised Business' business, (ii) that Business Entity will conduct no business other than your Franchised Business, (iii) that Business Entity must expressly assume all of your obligations under this Agreement and all Service Warranties, (iv) you provide us with all organizational documents for the Business Entity that we require, and (v) you reimburse us for any direct costs we incur in processing such transfer, including attorneys' fees. Such transfers, including transfers by will or inheritance, shall be subject to the conditions for assignments and transfers contained in this Agreement, unless prohibited by applicable law. During such 180-day period, your Franchised Business must remain at all times under the primary management of a Designated Manager who we have approved. For the purposes of this Agreement, "incapacity" means the inability of such person to fulfill their obligations under this Agreement, as applicable, including by reason of any continuing physical, mental or emotional condition, chemical dependency or other limitation.

14.3.3. If we do not exercise our right of first refusal on the terms above, the offer or proposal may be accepted by you or any of your Owners, subject to our prior written approval as required under Section 14.2. Should the sale fail to close the transaction within 120 days after the offer is delivered to us, or if there is a material change to the terms of the sale (which you agree to notify us of promptly), we will have an additional right of first refusal in accordance with this Section.

15. OWNERS OF FRANCHISEE

15.1. Your Ownership Information

You represent and warrant to us that the information on Exhibit 2 is an accurate and complete description of: (a) each person who signs this Agreement as franchisee, if you are the sole proprietorship; or (b) each person who holds a direct or indirect ownership, voting, or beneficial interest in you, if you are a Business Entity (each an "Owner").

15.2. Your Business Entity

15.2.1. If you enter this Agreement as a corporation, limited liability company, limited partnership or other legal entity or organization (each a “**Business Entity**”), you represent and warrant to us that you are validly existing and in good standing under the laws of the state of your incorporation or formation, and have the authority to execute this Agreement, and perform your obligations under this Agreement. You agree to maintain organizational documents at all times that state that this Agreement restricts the issuance and transfer of any of your ownership interests, and all certificates and other documents representing your ownership interests will bear a legend referring to this Agreement’s restrictions. You agree that your Franchised Business will be the only business that such Business Entity operates, unless we approve you to acquire and operate additional BlueFrog Businesses.

15.2.2. If you are a Business Entity, you must identify one of your Owners who is a natural person with at least a 10% direct or indirect ownership interest and voting power in you (your “**Designated Owner**”). We must approve the person that will act as your Designated Owner. Your Designated Owner will be authorized to deal with us on your behalf for all matters whatsoever that may arise with respect to your Franchise Agreement. Any decision made by the Designated Owner will be final and binding on you, and we will be entitled to rely solely on the decision of the Designated Owner without discussing the matter with any other party. We will not be held liable for any actions based on any decision or actions of the Designated Owner. The person acting as your Designated Owner must have full corporate power and authority to enter into the Franchise Agreement and any other documents to which you are a party, and to make binding decisions on your behalf.

15.3. Guaranty by Owners

Each of your Owners and their respective spouses must execute a guaranty in the form we prescribe, agreeing to be personally bound, jointly and severally, by all provisions of this Agreement and any ancillary agreements between you and us and/or our affiliates. Our current form of guaranty is attached hereto as Exhibit 1.

16. RELATIONSHIP AND INDEMNIFICATION

16.1. Relationship

This Agreement is purely a contractual relationship between the parties and does not appoint or make you an agent, representative, joint venturer, partner, or employee of ours for any purpose whatsoever. You may not represent or imply to third parties that you are an agent of ours, and you are in no way authorized to make any contract, agreement, warranty, or representation on our behalf, or to create any obligation, express or implied, on our behalf. During the term of this Agreement, you shall hold yourself out to the public only as a franchisee and an owner of your Franchised Business operating your Franchised Business pursuant to a franchise from us. Under no circumstances shall we be liable for any act, omission, contract, debt, nor any other obligation of yours, or for any injuries to persons or property resulting from your Franchised Business. Any third-party contractors and vendors retained by you are independent contractors of yours alone. This Agreement does not establish a fiduciary relationship between the parties.

16.2. Indemnification

During and after the term of this Agreement, you hereby agree to hold harmless and indemnify us, our affiliate, and all of our and their owners, holders of a legal or beneficial interest, officers, directors, executives, managers, employees, agents, successors and assigns from and against all losses, damages, fines, costs, expenses or liability (including reasonable attorneys’ fees) incurred in

connection with any action, suit, demand, claim, obligations, investigation or proceeding, or any settlement thereof, which arises from or is based upon your, your Owners', your affiliates', or your or their employees' or other representatives': (a) ownership or operation of your Franchised Business; (b) violation, breach or asserted violation or breach of any federal, state or local law, regulation or rule; (c) breach of any representation, warranty, covenant, or provision of this Agreement or any other agreement between you and your affiliates and us or our affiliates; (d) instituted by your employees, or by others that arise from your employment practices; and/or (e) acts, errors, omissions, negligence, or misconduct of any kind. Each indemnified party may defend any claim against it at your expense (including choosing and retaining its own legal counsel) and agree to settlements or take any other remedial, corrective, or other actions. An indemnified party need not seek recovery from any insurer or other third party, or otherwise mitigate its losses and expenses, in order to maintain and recover fully a claim for indemnity.

17. GENERAL CONDITIONS AND PROVISIONS

17.1. No Waiver

17.1.1. No failure of ours to exercise any power reserved to it hereunder, or to insist upon strict compliance by you with any obligation or condition hereunder, and no custom or practice of the parties in variance with the terms hereof, shall constitute a waiver of our right to demand exact compliance with the terms of this Agreement. Waiver by us of any particular default by you shall not be binding unless in writing and executed by us and shall not affect nor impair our right with respect to any subsequent default of the same or of a different nature. Subsequent acceptance by us of any payment(s) due shall not be deemed to be a waiver by us of any breach by you of any terms, covenants or conditions of this Agreement. Any waiver granted will be without prejudice to any other rights we or you have, will be subject to continuing review, and may be revoked at any time and for any reason effective on delivery of 10 days' prior written notice.

17.1.2. The following provision applies if you or the franchise granted hereby are subject to the franchise registration or disclosure laws in California, Illinois, Indiana, Maryland, Michigan, Minnesota, New York, North Dakota, Rhode Island, South Dakota, Virginia, Washington, or Wisconsin: No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

Either party may change its address by a written notice sent in accordance with this Section 17.2.

17.3. Entire Agreement

This Agreement, including its exhibits, constitutes the entire, complete, and fully integrated agreement between us and you concerning the subject matter hereof, and supersedes all prior representations, promises, and agreements. No amendment, change or variance from this Agreement shall be binding on either party unless memorialized in a writing executed by both parties. Nothing in this or any related agreement, however, is intended to disclaim any representations we made in the franchise disclosure document that we furnished to you.

17.4. Severability

17.4.1. Except as noted below, each paragraph, part, term and provision of this Agreement shall be considered severable. If any paragraph, part, term or provision herein is ruled to be unenforceable, unreasonable or invalid, such ruling shall not impair the operation of or affect the remaining portions, paragraphs, parts, terms and provisions of this Agreement, and the latter shall continue to be given full force and effect and bind the parties; and such unenforceable, unreasonable or invalid paragraphs, parts, terms or provisions shall be deemed not part of this Agreement. If we determine that a finding of invalidity adversely affects the basic consideration of this Agreement, we have the right to, at our option, terminate this Agreement.

17.4.2. If any of the covenants contained in Section 6 is deemed unenforceable by virtue of its scope, but would be enforceable if modified, you and we agree that the covenant will be enforced to the fullest extent permissible under the laws and public policies applied in the jurisdiction whose law determines the covenant's validity. You agree to be bound by any promise or covenant imposing the maximum duty the law permits which is subsumed within any provision of this Agreement, as though it were separately articulated in and made a part of this Agreement.

17.4.3. If any applicable and binding law of any jurisdiction requires more notice of this Agreement's termination or of our refusal to enter into a renewal franchise agreement than this Agreement requires, or some other action that this Agreement does not require, or any provision of this Agreement or any System Standard is invalid, unenforceable, or unlawful, the notice and/or other action required by the law, ordinance, rule or regulation will be substituted for the comparable provisions of this Agreement, and we may modify the invalid or unenforceable provision or System Standard to the extent required to be valid and enforceable or delete the unlawful provision in its entirety.

17.5. Construction

All captions herein are intended solely for the convenience of the parties, and none shall be deemed to affect the meaning or construction of any provision hereof. References in this Agreement to “we,” “us,” and “our,” with respect to all of our rights and all of your obligations to us under this Agreement, include any of our affiliates with whom you deal. The term “**affiliate**” means any person or Business Entity directly or indirectly owned or controlled by, under common control with, or owning or controlling you or us. The term “**control**” means the power to direct or cause the direction of management and policies. The use of the term “**including**” in this Agreement, means in each case “including, without limitation.” The term “**person**” means any natural person, corporation, limited liability company, general or limited partnership, unincorporated association, cooperative, or other legal or functional entity.

17.6. Third-Party Beneficiaries

Except as expressly provided herein, nothing in this Agreement is intended, nor shall be deemed, to confer upon any person or Business Entity other than us or you, and our and your respective successors and assigns any rights or remedies under this Agreement.

18. DISPUTE RESOLUTION

18.1. Arbitration

18.1.1. All controversies, disputes, or claims between us or any of our affiliates (and our and their respective shareholders, officers, directors, agents, and employees), on the one hand, and you (and your owners, guarantors, affiliates, and employees), on the other hand, arising out of or related to: (1) this Agreement or any other agreement between you (or any of your Owners) and us (or any of our affiliates); (2) our relationship with you or the franchise granted hereby; (3) the scope or validity of this Agreement or any other agreement between you (or any of your Owners) and us (or any of our affiliates) or any provision of any of such agreements (including the validity and scope of this arbitration provision, which we and you acknowledge is to be determined by an arbitrator, not a court); or (4) any System Standard, must be submitted for binding arbitration, on demand of either party, to the American Arbitration Association (the "AAA"). The arbitration proceedings will be conducted by one arbitrator and, except as this Section otherwise provides, according to the AAA's then current Commercial Arbitration Rules. All proceedings will be conducted at a suitable location chosen by the arbitrator that is within 50 miles of our (or our successor's or assign's, as applicable) then current principal place of business (currently, The Colony, Texas). All matters relating to arbitration will be governed by the Federal Arbitration Act (9 U.S.C. §§ 1 et seq.). The interim and final awards of the arbitrator shall be final and binding upon each party, and judgment upon the arbitrator's awards may be entered in any court of competent jurisdiction.

18.1.2. The arbitrator has the right to award or include in his or her awards any relief which he or she deems proper, including money damages, pre- and post-award interest, interim costs and attorneys' fees, specific performance, and injunctive relief, provided that the arbitrator may not declare any of the trademarks owned by us or our affiliates generic or otherwise invalid, or award any punitive or exemplary damages against any party to the arbitration proceeding (we and you hereby waiving to the fullest extent permitted by law any such right to or claim for any punitive or exemplary damages against any party to the arbitration proceeding). In any arbitration brought pursuant to this arbitration provision, and in any action in which a party seeks to enforce compliance with this arbitration provision, the prevailing party shall be awarded its costs and expenses, including attorneys' fees, incurred in connection therewith.

18.1.3. In any arbitration proceeding, each party will be bound by the provisions of any applicable contractual or statutory limitations provision, whichever expires earlier. Each party must submit or file any claim which would constitute a compulsory counterclaim (as defined by Rule 13 of the Federal Rules of Civil Procedure) within the same proceeding. Any claim which is not submitted or filed as required will be forever barred. The arbitrator may not consider any settlement discussions or offers that might have been made by any party.

18.1.4. Arbitration proceedings will be conducted on an individual basis. no arbitration proceeding may be: (i) conducted on a class-wide basis, (ii) commenced, conducted or consolidated with any other arbitration proceeding, (iii) joined with any separate claim of an unaffiliated third-party, or (iv) brought on behalf of any party by any association or agent. Notwithstanding the foregoing, if any court or arbitrator determines that all or any part of the preceding sentence is unenforceable with respect to a dispute, controversy or claim that otherwise would be subject to arbitration under this Section, then all parties agree that this arbitration clause shall not apply to that dispute, controversy or claim and that such dispute, controversy or claim shall be resolved in a judicial proceeding in accordance with the dispute resolution provisions of this Agreement.

18.1.5. In any arbitration arising as described in this Section, the arbitrator shall have full authority to manage any necessary exchange of information among the parties with a view to achieving an efficient and economical resolution. The parties may only serve reasonable requests for documents, which must be limited to documents upon which a party intends to rely or documents that are directly relevant and material to a significant disputed issue in the case or to the case's outcome. The document requests shall be restricted in terms of time frame, subject matter and persons or entities to which the requests pertain, and shall not include broad phraseology such as "all documents directly or indirectly related to." No interrogatories or requests to admit shall be propounded, unless the parties mutually agree.

18.1.6. The provisions of this Section are intended to benefit and bind certain third-party non-signatories. The provisions of this Section will continue in full force and effect and survive the expiration or termination of this Agreement. Any provisions of this Agreement below that pertain to judicial proceedings shall be subject to the agreement to arbitrate contained in this Section.

18.2. Injunctive Relief

Nothing in this Agreement, including the provisions of Section 18.1, bars our right to obtain specific performance of the provisions of this Agreement and injunctive or other equitable relief against threatened conduct that will cause us, the Marks and/or the System loss or damage, under customary equity rules, including applicable rules for obtaining restraining orders and injunctions. You agree that we may obtain such injunctive relief in addition to such further or other relief as may be available at law or in equity. You agree that we will not be required to post a bond to obtain injunctive relief and that your only remedy if an injunction is entered against you will be the dissolution of that injunction, if warranted, upon due hearing (all claims for damages by injunction being expressly waived hereby).

18.3. Cost of Enforcement or Defense

The prevailing party in any dispute or proceeding shall be entitled to recover from the other party all damages, costs and expenses, including arbitration and court costs and reasonable attorneys' fees, incurred by the prevailing party in connection with such dispute or proceeding.

18.4. Choice of Law

All matters relating to arbitration will be governed by the Federal Arbitration Act (9 U.S.C. §§ 1 et. seq.). Except to the extent governed by the Federal Arbitration Act (9 U.S.C. §§ 1 et. seq.), the U.S. Trademark Act of 1946 (Lanham Act, 15 U.S.C. §§1051 et. seq.), or other federal law, this Agreement (or any other agreement between us and our affiliates and you and your affiliates), the Franchise, and all claims arising from the relationship between you and us will be governed by the laws of the State of Texas, without regard to its conflict of laws rules; provided, however, that any state law regulating the offer or sale of franchises or governing the relationship of a franchisor and its franchisee will not apply unless its jurisdictional requirements are independently met.

18.5. Consent to Jurisdiction

Subject to Section 18.1, we and you agree that all controversies, disputes, or claims between us or any of our affiliates (and our and their respective shareholders, officers, directors, agents, and employees), on the one hand, and you (and your owners, guarantors, affiliates, and employees), on the other hand, arising out of or related to this Agreement or any other agreement between you (or any of your Owners) and us (or any of our affiliates) or our relationship with you must be commenced exclusively in state or federal court closest to our (or our successor's or assign's, as applicable) then-current principal place of business (currently, The Colony, Texas), and the parties irrevocably consent to the jurisdiction of those courts and waive any objection to either the jurisdiction of or venue in those courts. Nonetheless, the parties agree that any of us may enforce any arbitration orders and awards in the courts of the state or states in which you or your Franchised Business or Market Territory is located.

18.6. Cumulative Rights and Remedies

No right or remedy conferred upon or reserved to us or you by this Agreement is intended to be, nor shall be deemed, exclusive of any other right or remedy herein or by law or equity provided or permitted, but each shall be in addition to every other right or remedy.

18.7. Limitation of Claims

EXHIBIT 1 TO THE FRANCHISE AGREEMENT

UNLIMITED GUARANTY AND PERSONAL UNDERTAKING

THIS UNLIMITED GUARANTY AND PERSONAL UNDERTAKING (this “**Guaranty**”) is executed and delivered to Franchisor to be effective as of the effective date of the Franchise Agreement (defined below). Each of the undersigned make the following representations and warranties to Franchisor, and agree to the following:

1. I have read the franchise agreement between BlueFrog Plumbing + Drain, LLC (“**Franchisor**”) and _____ (the “**Franchisee**”) together with any associated exhibits, agreements, addenda, riders, and other instruments (together, the “**Franchise Agreement**”) and am familiar with its terms (capitalized terms not defined herein will have the meaning in the Franchise Agreement).

2. I own a beneficial interest in the Franchisee and/or the Franchised Business, and/or would be considered an “Owner” within the definition contained in the Franchise Agreement.

3. I understand that, were it not for this Guaranty, Franchisor would not have agreed to enter into the Franchise Agreement.

4. I agree to be personally bound by, and personally liable for the breach of, each and every provision in the Franchise Agreement, both monetary obligations and obligations to take or refrain from taking specific actions or to engage or refrain from engaging in specific activities, including that without limiting the foregoing, I will comply with all of the covenants of confidentiality, exclusivity, non-interference, and non-disparagement contained in Section 6 of the Franchise Agreement.

5. I will comply with all of the provisions contained in Section 14 of the Franchise Agreement concerning the transfer of any interest I may have in the Franchised Business or the Franchisee.

6. I agree that the provisions contained in Section 18 of the Franchise Agreement will apply to any dispute arising out of or relating to this Guaranty, including the requirement to arbitrate all claims under Section 18.1. If Franchisor brings any legal action to enforce its rights under this Guaranty, I will reimburse Franchisor its attorneys’ fees and costs.

7. I hereby personally and unconditionally guarantee to Franchisor and its successors and assigns the punctual and full payment of all amounts owed by the Franchisee under the Franchise Agreement. I understand and agree that Franchisor need not exhaust its remedies against the Franchisee or any other guarantor or person before seeking recovery from me under this Guaranty.

8. No modification, change, impairment, or suspension of any of Franchisor’s rights or remedies shall in any way affect any of my obligations under this Guaranty. If the Franchisee has pledged other security or if one or more other persons have personally guaranteed performance of the Franchisee’s obligations, I agree that Franchisor’s release of such security will neither affect my liability under this Guaranty or be asserted as a defense to enforcement of this Guaranty.

9. I hereby waive: (a) acceptance and notice of acceptance by Franchisor of the foregoing undertakings; (b) notice of demand for payment of any indebtedness or non-performance of any obligations hereby guaranteed; (c) protest and notice of default to any party with respect to the indebtedness or non-performance of any obligations hereby guaranteed; (d) any right I may have to require that an action be brought against Franchisee or any other person as a condition of my liability; (e) any and all other notices and legal or equitable defenses to which I may be entitled; and (f) defense

of the statute of limitations in any action hereunder or for the collection of any indebtedness or the performance of any obligation hereby guaranteed.

10. My liability under this Guaranty shall not be diminished, relieved or otherwise affected by any extension of time, credit or other indulgence which Franchisor may from time to time grant to Franchisee or to any other person, including the acceptance of any partial payment or performance, or the compromise or release of any claims, none of which shall in any way modify or amend this Guaranty, which shall be continuing and irrevocable during the term of the Agreement.

11. **I WAIVE TRIAL BY JURY IN ANY ACTION, PROCEEDING, OR COUNTERCLAIM, WHETHER AT LAW OR IN EQUITY, INVOLVING FRANCHISOR, WHICH ARISES OUT OF OR IS RELATED IN ANY WAY TO THE FRANCHISE AGREEMENT AND/OR THE PERFORMANCE OF ANY PARTY UNDER THE FRANCHISE AGREEMENT.**

12. I understand that Franchisor's rights under this Guaranty shall be in addition to, and not in lieu of, any other rights or remedies available to Franchisor under applicable law.

13. This Guaranty will continue unchanged by the occurrence of any bankruptcy with respect to Franchisee or any assignee or successor of the Franchisee or by any abandonment of the Agreement by a trustee of Franchisee. Neither my obligations to make payment or render performance in accordance with the terms of this Guaranty nor any remedy for enforcement will be impaired, modified, changed, released or limited in any manner whatsoever by any impairment, modification, change, release or limitation of the liability of the Franchisee or its estate in bankruptcy or of any remedy for enforcement.

14. If more than one person has personally guaranteed any performance under and/or agreed to be bound by the Franchise Agreement, my liability with such person shall be joint and several with such guarantors, parties, and the Franchisee.

15. This Guaranty shall be binding on me and my heirs, executors, administrators, and assigns and shall inure to the benefit of Franchisor and its successors, endorsees, transferees and assigns. Without limiting any other provision hereof, I warrant and agree that my death shall not serve as a revocation of or otherwise affect the guaranty made hereunder and that my estate and heirs shall continue to be liable hereunder with respect to any obligations guaranteed hereunder.

Each Guarantor that is a business entity, retirement or investment account, or trust acknowledges and agrees that if the Franchisee is delinquent in payment of any amounts guaranteed hereunder, that no dividends or distributions may be made by such guarantor (or on such guarantor's account) to its owners, accountholders or beneficiaries or otherwise, for so long as such delinquency exists, subject to applicable law.

CONSENT TO TRANSFER

CONSENT TO TRANSFER

This **CONSENT TO TRANSFER** (this “**Consent**”) is made as of _____ (the “**Effective Date**”) by and among **BLUEFROG PLUMBING AND DRAIN, LLC**, a Delaware limited liability company (“**Franchisor**”), _____, a(n) _____ (“**Transferor**”), _____, a(n) _____ (“**Transferor Owner**”), _____, a(n) _____ (“**Transferee**”), and _____, a(n) _____ (“**Transferee Owner**”). Transferor, Transferor Owner, Transferee, and Transferee Owner are hereafter collectively referred to as the “**Franchisee Parties**.” All capitalized terms used but not defined in this Consent have the meaning given to them in Franchise Agreement (as defined below).

RECITALS

A. Franchisor and Transferor are parties to a certain franchise agreement dated _____ (the “**Franchise Agreement**”) pursuant to which Transferor owns and operates the Franchised Business within the territory described therein;

B. Transferor has notified Franchisor that it wishes to sell, transfer, and convey the Franchised Business to Transferee, and Transferee wishes to purchase, own, and operate the Franchised Business (the “**Transfer**”), pursuant to the terms of that certain _____ dated _____ executed between _____ and _____ (the “**Purchase Agreement**”); and

C. Under the Franchise Agreement, the Transfer requires Franchisor’s prior written consent, which it is willing to grant on the terms of this Consent.

AGREEMENT

IN CONSIDERATION of the foregoing, the covenants and agreements contained in this Consent, and other good and valuable consideration, receipt and sufficiency of which are acknowledged, the parties agree as follows:

1. **Consent to Transfer and Waiver of Right of First Refusal.** Subject to the terms and conditions of this Consent, Franchisor hereby consents to the Transfer and waives its right of first refusal to acquire the Franchised Business. This Consent is strictly limited to the Transfer and will not be construed as Franchisor’s consent to, or the waiver of its rights in respect of, any further or subsequent transfers, each of which will require Franchisor’s separate prior written consent under the Franchise Agreement. Any substantive change or amendment to, or waiver of, any provision of the Purchase Agreement prior to the Transfer will require Franchisor’s separate prior written consent and waiver of right of first refusal. In the event that any term or condition of this Consent is not met by the parties as of the date of the Transfer (the “**Transfer Date**”), including any representation or warranty that is not true as of the Effective Date or the Transfer Date, Franchisor’s consent to the Transfer may be withdrawn, and any transfer that occurs thereafter, of any kind, including the Transfer, shall be deemed an unauthorized transfer under the terms of the Franchise Agreement.

2. **Execution of New Franchise Agreement.** Under the Franchise Agreement, Franchisor may, and does hereby, condition its consent to the Transfer on Transferee’s and Transferee Owner’s execution, concurrently with the execution of this Consent, of the current form of franchise agreement for the Franchised Business, including all related documents such as Unlimited Guaranty and Personal Undertaking (collectively, the “**New Franchise Agreement**”). Therefore, concurrently with the execution

of this Consent, Transferee and Transferee Owner will execute a New Franchise Agreement, which will from and after the Effective Date govern Transferee's ownership and operation of the Franchised Business.

3. **Termination of Franchise Agreement and Surviving Obligations.** Upon the execution of the New Franchise Agreement, as described above, the Franchise Agreement shall be deemed automatically terminated; provided that, the termination of the Franchise Agreement does not (a) affect any obligations that arose or accrued under the Franchise Agreement (or any other related agreements to which they were a party) prior to the termination, or (b) release Transferor from any obligations that, as provided in the Franchise Agreement (or any other related agreements to which they were a party), survive or are triggered by the termination of those agreements (including, for example, the post-termination obligations regarding payment of amounts owed, confidentiality, noncompetition, cessation of use of Marks and other intellectual property, and all other such obligations described in the Franchise Agreement, and the indemnification obligations thereunder with respect to claims arising from or based on events which occurred prior to termination).

4. **Payment of Transfer Fee.** Under the Franchise Agreement and as a condition of granting its consent to the Transfer, Franchisor may, and hereby does, require Transferor to pay a lump sum transfer fee equal to five thousand dollars (\$5,000). Transferor agrees to pay or cause Franchisor to be paid, the transfer fee concurrently upon the execution of this Consent.

5. **Representations and Warranties.** The Franchisee Parties each, jointly and severally, represent and warrant to Franchisor that:

- (i) Transferee is a legal entity that is duly organized, validly existing and in good standing under the laws of its jurisdiction of organization;
- (ii) each Franchisee Party has all requisite power and authority to be bound by the terms of this Consent and to carry out and perform its obligations under this Consent; and
- (iii) except for Franchisor's consent, which will be granted on its execution of this Consent, all conditions precedent to the Transfer (including, without limitation, all required landlord consents, if applicable) have been satisfied or waived, and upon Franchisor's consent the Franchised Business will be owned and operated by Transferee.

6. **Further Assurances.** Each Franchisee Party hereby covenants and agrees, at its own expense, to execute and deliver, at Franchisor's request and without additional consideration, such further instruments and to take such other action as Franchisor may request to more effectively consummate the Transfer and the effectiveness of this Consent.

7. **Release.** The Franchisee Parties on behalf of themselves and their current and former affiliates, and each of the foregoing persons' officers, directors, owners, employees, agents, representatives, affiliates, parents, divisions, successors and assigns, and all persons or firms claiming by, through, under, or on behalf of any or all of them (the "**Franchisee Group**") hereby release, acquit and forever discharge Franchisor, any and all of its past and present affiliates, parents, subsidiaries and related companies, divisions and partnerships, consultants, advisors and franchise sellers and its and their respective past and present officers, directors, owners, employees, agents, representatives, affiliates, parents, divisions, successors and assigns, and the spouses of such individuals (collectively, the "**Franchisor Group**") from any and all claims, liabilities, damages, expenses, actions or causes of action of any kind which any member of the Franchisee Group may now have or has ever had, whether known or unknown, past or present, absolute or contingent, suspected or unsuspected, of any nature whatsoever (collectively "**claims**"), including any claims directly or indirectly arising out of or relating to the Franchise Agreement or the offer,

sale or acceptance of the franchises related thereto (including, but not limited to any disclosures and representations made in connection therewith). The Franchisee Parties further covenant on behalf of the Franchisee Group not to sue any member of the Franchisor Group on any of the claims released by this paragraph, and warrant and represent that they have not assigned or otherwise transferred any claims released by this paragraph.

If the franchise you operate under the Agreement is located in Minnesota or if any of the Releasing Parties is a resident of Minnesota, the following shall apply:

Any general release provided for hereunder shall not apply to any liability under the Minnesota Franchise Act.

8. **Non-Disparagement**. The Franchisee Parties agree not to, and cause the other members of the Franchisee Group and any other person not to, directly or indirectly (i) disparage, discredit, or otherwise speak negatively of any member of the Franchisor Group, the BlueFrog® brand and its franchisees, or any other brands owned by the members of the Franchisor Group, (ii) take any other action which would, directly or indirectly, subject any of the foregoing to ridicule, scandal, reproach, scorn, or indignity, or which would negatively impact or injure the goodwill of the System or the Marks; or (iii) take any other action which would constitute an act of moral turpitude and/or is or could reasonably become the subject of public scandal, disrepute, or infamy.

9. **Franchisor's Role**. The Franchisee Parties agree that (i) they have negotiated the Transfer without Franchisor's involvement, and (ii) Franchisor's only involvement in the Transfer transaction is limited to exercising its right of consent to the Transfer in accordance with the Franchise Agreement. The Franchisee Parties hereby represent to Franchisor that the Transfer will not violate any applicable laws or jeopardize the operations of the Franchised Business.

10. **Dispute Resolution**. Any disputes arising under this Consent shall be subject to and resolved in accordance with the choice of law and dispute resolution provisions of the Franchise Agreement (Section 18), the provisions of which are incorporated herein as though copied in their entirety.

11. **Binding Effect**. This Consent inures to the benefit of the parties and their respective successors and assigns and will be binding upon the parties and their respective successors, permitted assigns, and legal representatives. If there is any conflict between the provisions of this Consent and the provisions of the Franchise Agreement, the provisions of this Consent will prevail.

12. **Miscellaneous**. This Consent constitutes the entire understanding between the parties with respect to the matters it contemplates. All references in this Consent to the singular usage will be construed to include the plural and the masculine and neutral usages to include the other and the feminine. This Consent may be executed in multiple copies, each of which will be deemed an original. This Consent may be executed by electronic means.

Opinion

We have audited the accompanying financial statements of BlueFrog Plumbing & Drain, LLC (the "Company") (a subsidiary of Stellar Brands, LLC), which comprise the balance sheets as of December 31, 2025 and 2024, and the related statements of operations, changes in member's equity, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Company as of December 31, 2025 and 2024, and the results of its operations and its cash flows for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, which raise substantial doubt about the Company's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, which raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

BLUEFROG PLUMBING & DRAIN, LLC
NOTES TO FINANCIAL STATEMENTS
December 31, 2025 and 2024

1. NATURE OF OPERATIONS

BlueFrog Plumbing & Drain, LLC (the "Company"), is a master franchisor that grants franchises for the operation of a business offering plumbing services, drain cleaning services, water and gas leak detection and repair services, and water heater, water softener, and water filtration system services using their proprietary methods and the BLUEFROG PLUMBING + DRAIN mark. The Company earns revenues predominantly from initial franchise fees, royalty fees, and advertising fee revenues.

The Company was organized and formed under the laws of the state of Delaware and is a wholly owned subsidiary of Stellar Brands, LLC.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Recently Adopted Accounting Pronouncement

In July 2025, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update ("ASU") No. 2025-05, *Financial Instruments- Credit Losses (Topic 326): Measurement of Credit Losses for Accounts Receivable and Contract Assets*, to reduce the complexity and cost of the current expected credit loss ("CECL") model for private companies and certain non-profits. The proposal introduces a practical expedient allowing entities to assume current conditions persist for forecasting, and a policy election to consider subsequent collection activity, specifically for trade accounts receivable and contract assets. Entities should apply the new guidance prospectively. ASU 2025-05 is effective for annual reporting periods beginning after December 15, 2025, with early adoption permitted. On January 1, 2023, the Company adopted ASU 2016-13 prospectively, elected to use the practical expedient, and applied the accounting policy election. The adoption of this standard did not have a material impact on the Company's financial statements.

Use of Estimates

Management uses estimates and assumptions in preparing the financial statements in accordance with accounting principles generally accepted in the United States of America. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses. Actual results could vary from the estimates that were used for financial reporting purposes.

Cash and Cash Equivalents

The Company considers all highly liquid investments with a maturity of three months or less when purchased to be cash equivalents.

Restricted Cash

Restricted cash held by the Company relates to cash provided by franchisees that is to be used solely for marketing and advertising purposes.

Fair Value of Financial Instruments

The Company's financial instruments, none of which are held for trading purposes, include cash and cash equivalents, accounts receivable, accounts payable, and accrued expenses. Management estimates that the fair value of all financial instruments as of December 31, 2025 and 2024, does not differ materially from the aggregate carrying values of its financial instruments recorded in the accompanying financial statements.

Concentrations of Credit Risk

Financial instruments that potentially subject the Company to a concentration of a credit risk principally consist of cash and trade receivables. The Company's franchisees operate throughout the United States. To reduce credit risk, the Company performs on-going credit evaluations of its franchisees' financial condition.

In the normal course of business, the Company may have bank account balances in excess of federally insured limits. If cash balances exceed the amounts covered by insurance provided by the Federal Deposit Insurance Corporation, the excess balances could be at risk of loss. The amount at risk of loss at December 31, 2025, is \$914,556.

Accounts Receivable and Allowance for Credit Losses

The Company's accounts receivable are primarily due from franchisees for monthly royalty fees. As previously mentioned, the Company has elected to apply the practical expedient and the accounting policy election introduced by adopted ASU 2025-05. These elections are applied consistently to all current accounts receivable and current contract assets arising from transactions accounted for under ASC Topic 606, Revenue from Contracts with Customers. Prior to the adoption, the allowance for credit losses was measured based on expected credit losses over the life of the asset, considering current conditions as well as reasonable and supportable forecasts. Under the practical expedient, the Company assumes that current economic conditions as of the balance sheet date remain unchanged for the remaining life of the applicable assets. As a result, the Company does not develop reasonable and supportable forecasts of future economic conditions for these assets.

Additionally, under the accounting policy election, the Company considers cash collection activity occurring after the balance sheet date but before the date the financial statements are available to be issued when estimating expected credit losses.

The allowance for credit losses was \$60,464 and \$26,877 at December 31, 2025 and 2024, respectively. Accounts receivable balances are written off when franchises have resold or are terminated and other means for collection have been exhausted and the potential for recovery is considered remote. Payments subsequently collected are credited back to the provision for doubtful accounts in the period the payments are received.

The following table sets forth the activity in the allowance for credit losses from December 31, 2025 through December 31, 2024:

	<u>2025</u>	<u>2024</u>
Balance, beginning of year	\$ (26,877)	\$ (2,000)
Bad debt expense	36,557	98,422
Recovery	-	-
Write off	<u>(70,114)</u>	<u>(123,299)</u>
Balance, end of year	<u>\$ (60,434)</u>	<u>\$ (26,877)</u>

Costs to Obtain Contracts with Customers

The Company capitalizes incremental contract cost associated with obtaining franchise contracts which include broker fees, sales commissions, and general fees that would not have been incurred had the franchise sale not occurred. These costs are reported as deferred costs (assets) and are expensed pro-rata similarly to franchise fee revenue with a portion being recognized as a pre-opening services cost and the remaining on a straight-line basis over the term of the underlying franchise agreement. Amortization of deferred costs is included in commission expenses in the Statements of Operations.

Long-Lived Assets

Long-lived assets are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. If circumstances require a long-lived asset to be tested for possible impairment, the Company first compares undiscounted cash flows expected to be generated by an asset to the carrying value of the asset. If the carrying value of the long-lived asset is not recoverable on an undiscounted cash flow basis, an impairment is recognized to the extent that the carrying value exceeds its fair value. Fair value is determined through various valuation techniques including discounted cash flow models, quoted market values and third-party independent appraisals, as considered necessary.

Property and Equipment

Property and equipment are stated at cost. The Company capitalizes assets with useful lives greater than one year and a value of more than \$5,000. Depreciation is computed using the straight-line method over the estimated useful lives of the depreciable assets. The estimated useful lives range from three to five years. Repairs and maintenance costs that do not substantially increase the useful lives of the property and equipment are expensed as incurred.

Intangible Assets

Intangible assets are recorded at their estimated fair values as of the date of acquisition. Intangible assets with definite lives consist of franchise contracts acquired and are amortized on a straight-line basis over their economic useful lives. The Company assesses the recoverability of its definite lived intangible assets primarily based on its current and anticipated future undiscounted cash flows. Intangible assets with indefinite lives consist of the Company's trade name.

Goodwill

Goodwill represents the excess of the purchase price over the fair value of tangible and identifiable intangible assets acquired through acquisitions. The Company has adopted the accounting alternative offered to nonpublic entities for the subsequent measurement of goodwill. In accordance with this alternative, the Company amortizes goodwill over ten years on a straight-line basis and only evaluates goodwill for impairment at the entity level when a triggering event occurs.

Income Taxes

Under existing provisions of the Internal Revenue Code, the income or loss of a limited liability company is recognized by the individual member for federal income tax purposes. Accordingly, no provision for federal income tax has been provided for in the accompanying financial statements. However, the Company remains liable for state income taxes.

Management has evaluated the Company's tax positions and has not identified any material uncertain tax positions that would not be sustained in a federal or state income tax examination. Accordingly, no provision for uncertainties in income taxes has been made in the accompanying financial statements. The Company is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Advertising

Advertising and promotion expenses related directly to franchisees are expensed as incurred and are included in brand fund expenses in the Statement of Operations. All general advertising and promotion costs of the Company are allocated as operating expenses in the Statements of Operations. Advertising expenses that were directly related to franchisees for the years ended December 31, 2025 and 2024, totals \$323,167 and \$261,326, respectively. General advertising and promotion expenses for the years ended December 31, 2025 and 2024, totals \$119,372 and \$100,961, respectively.

7. REVENUE RECOGNITION

The Company generates franchise revenues through royalties, initial and successor franchise fees, transfer fees, and other fees. The Company's primary performance obligations under the franchise license is providing certain pre-opening services and granting certain rights to use the Company's intellectual property. All other services the Company provides under the franchise agreement are highly interrelated, not distinct within the contract, and therefore accounted for as a single performance obligation, which is satisfied by granting certain rights to use intellectual property over the term of each franchise agreement.

The Company has elected not to adjust consideration for the effects of financing which is allowable under a practical expedient when the period between the receipt of payment and the transfer of the goods or services to the customer is one year or less.

The Company does not believe the contracts contain any terms that would result in variable consideration that should be considered in the transaction price. Thus, the transaction price for financial reporting purposes is the total value of the franchise agreement, excluding royalty fees, brand fund fees, and tech fees.

Royalty and Brand Fund Revenues

Royalties, including franchisee contributions to national advertising funds, are calculated as a percentage of franchise monthly dues and annual fees over the term of the franchise agreement. The franchise royalties represent sales-based royalties that are related entirely to the performance obligation under the franchise agreement and are recognized as the underlying sales occur at the franchisee-level. Additionally, contributions to national advertising funds are due monthly and are recognized in income when earned.

Franchise Licenses

Initial and successor franchise fees are payable by the franchisee upon signing a new franchise agreement or successor franchise agreement, and transfer fees are paid to the Company when one franchisee transfers a franchise agreement to a different franchisee. The Company has elected the practical expedient available for the recognition of income related to franchise licenses. The guidance allows for all pre-opening service obligations to be bundled and considered on single performance obligation rather than each pre-opening service (site selection, training, quality control, information technology, etc.) being a standalone performance obligation. Accordingly, franchise licenses revenue recognition includes two performance obligations: 1) pre-opening services, 2) ongoing assistance and continued access to the brand’s intellectual property provided to that franchisee through the term of the franchise agreement. Pre-opening services revenue is recognized once the services have been provided and the franchisee commences business operations. The Company recognizes franchise fee revenue of \$12,110 for pre-opening services based on an estimate of the cost of specific goods and services provided. The remaining franchisee fee revenue is amortized on a straight-line basis over the term of the franchise agreement.

Franchise fee revenue disaggregated by type for the year ended December 31, 2025 and 2024, is as follows:

	<u>2025</u>	<u>2024</u>
Pre-opening revenue	\$ 173,865	\$ 74,130
Ongoing revenue	<u>172,279</u>	<u>238,092</u>

Events could occur that would change this estimate materially in the near term.

10. SUBSEQUENT EVENTS

The Company has evaluated subsequent events from the balance sheet date through March 12, 2026, the date at which the financial statements were available to be issued, and determined there are no items to disclose.

INDEPENDENT AUDITORS' REPORT

To the Board of Directors and Member of
BlueFrog Plumbing & Drain, LLC

Opinion

We have audited the accompanying financial statements of BlueFrog Plumbing & Drain, LLC (the "Company") (a subsidiary of Stellar Brands, LLC), which comprise the balance sheets as of December 31, 2024 and 2023, and the related statements of operations, changes in member's equity, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Company as of December 31, 2024 and 2023, and the results of its operations and its cash flows for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, which raise substantial doubt about the Company's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, which raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

BLUEFROG PLUMBING & DRAIN, LLC
NOTES TO FINANCIAL STATEMENTS
December 31, 2024 and 2023

1. NATURE OF OPERATIONS

BlueFrog Plumbing & Drain, LLC (the "Company"), is a master franchisor that grants franchises for the operation of a business offering plumbing services, drain cleaning services, water and gas leak detection and repair services, and water heater, water softener, and water filtration system services using their proprietary methods and the BLUEFROG PLUMBING + DRAIN mark. The Company earns revenues predominantly from initial franchise fees, royalty fees, and advertising fee revenues.

The Company was organized and formed under the laws of the state of Delaware and is a wholly owned subsidiary of Stellar Brands, LLC.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Recently Adopted Accounting Pronouncements

In June 2016, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update ("ASU") No. 2016-13, *Financial Instruments – Credit Losses* (Topic 326). ASU 2016-13 revises the accounting requirements related to the measurement of credit losses and requires organizations to measure all expected credit losses for financial assets based on historical experience, current conditions, and reasonable and supportable forecasts about collectability. Assets must be presented in the financial statements at the net amount expected to be collected.

On January 1, 2023, the Company adopted ASU 2016-13 using the modified retrospective method. The Company has evaluated the requirements of the new standard and determined it does not have material impact on the financial statements.

Use of Estimates

Management uses estimates and assumptions in preparing the financial statements in accordance with accounting principles generally accepted in the United States of America. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses. Actual results could vary from the estimates that were used for financial reporting purposes.

Cash and Cash Equivalents

The Company considers all highly liquid investments with a maturity of three months or less when purchased to be cash equivalents.

Restricted Cash

Restricted cash held by the Company relates to cash provided by franchisees that is to be used solely for marketing and advertising purposes.

Fair Value of Financial Instruments

The Company's financial instruments, none of which are held for trading purposes, include cash and cash equivalents, accounts receivable, accounts payable, and accrued expenses. Management estimates that the fair value of all financial instruments as of December 31, 2024 and 2023, does not differ materially from the aggregate carrying values of its financial instruments recorded in the accompanying financial statements.

Concentrations of Credit Risk

Financial instruments that potentially subject the Company to a concentration of a credit risk principally consist of cash and trade receivables. The Company's franchisees operate throughout the United States. To reduce credit risk, the Company performs on-going credit evaluations of its franchisees' financial condition.

In the normal course of business, the Company may have bank account balances in excess of federally insured limits. If cash balances exceed the amounts covered by insurance provided by the Federal Deposit Insurance Corporation, the excess balances could be at risk of loss. The amount at risk of loss at December 31, 2024, is \$785,284.

Accounts Receivable and Allowance for Credit Losses

The Company's accounts receivable are primarily due from franchisees for monthly royalty fees. As previously mentioned, the Company adopted ASU 2016-13. Before adoption, the allowance for doubtful accounts was based on the Company's estimate of potential accounts receivable write-offs associated with recognized revenue based on historical trends and factors surrounding the credit risk of specific franchisees. After adoption, the allowance for doubtful accounts is referred to as the allowance for credit losses. Additionally, the allowance for credit losses is also based on the credit losses expected to arise over the life of the accounts receivable while also giving consideration to current conditions and reasonable and supportable forecasts. Accounts receivable balances are written off when franchises have resold or are terminated and other means for collection have been exhausted and the potential for recovery is considered remote. Payments subsequently collected are credited back to the provision for doubtful accounts in the period the payments are received.

Costs to Obtain Contracts with Customers

The Company capitalizes incremental contract cost associated with obtaining franchise contracts which include broker fees, sales commissions, and general fees that would not have been incurred had the franchise sale not occurred. These costs are reported as deferred costs (assets) and are expensed pro-rata similarly to franchise fee revenue with a portion being recognized as a pre-opening services cost and the remaining on a straight-line basis over the term of the underlying franchise agreement. Amortization of deferred costs is included in commission expenses in the Statements of Operations.

Long-Lived Assets

Long-lived assets are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. If circumstances require a long-lived asset to be tested for possible impairment, the Company first compares undiscounted cash flows expected to be generated by an asset to the carrying value of the asset. If the carrying value of the long-lived asset is not recoverable on an undiscounted cash flow basis, an impairment is recognized to the extent that the carrying value exceeds its fair value. Fair value is determined through various valuation techniques including discounted cash flow models, quoted market values and third-party independent appraisals, as considered necessary.

Property and Equipment

Property and equipment are stated at cost. The Company capitalizes assets with useful lives greater than one year and a value of more than \$5,000. Depreciation is computed using the straight-line method over the estimated useful lives of the depreciable assets. The estimated useful lives range from three to five years. Repairs and maintenance costs that do not substantially increase the useful lives of the property and equipment are expensed as incurred.

Intangible Assets

Intangible assets are recorded at their estimated fair values as of the date of acquisition. Intangible assets with definite lives consist of franchise contracts acquired and are amortized on a straight-line basis over their economic useful lives. The Company assesses the recoverability of its definite lived intangible assets primarily based on its current and anticipated future undiscounted cash flows. Intangible assets with indefinite lives consist of the Company's trade name.

Goodwill

Goodwill represents the excess of the purchase price over the fair value of tangible and identifiable intangible assets acquired through acquisitions. The Company has adopted the accounting alternative offered to nonpublic entities for the subsequent measurement of goodwill. In accordance with this alternative, the Company amortizes goodwill over ten years on a straight-line basis and only evaluates goodwill for impairment at the entity level when a triggering event occurs.

Income Taxes

Under existing provisions of the Internal Revenue Code, the income or loss of a limited liability company is recognized by the individual member for federal income tax purposes. Accordingly, no provision for federal income tax has been provided for in the accompanying financial statements. However, the Company remains liable for state income taxes.

Management has evaluated the Company's tax positions and has not identified any material uncertain tax positions that would not be sustained in a federal or state income tax examination. Accordingly, no provision for uncertainties in income taxes has been made in the accompanying financial statements. The Company is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Advertising

Advertising and promotion expenses related directly to franchisees are expensed as incurred and are included in brand fund expenses in the Statement of Operations. All general advertising and promotion costs of the Company are allocated as operating expenses in the Statements of Operations. Advertising expenses that were directly related to franchisees for the years ended December 31, 2024 and 2023, totals \$261,326 and \$218,933, respectively. General advertising and promotion expenses for the years ended December 31, 2024 and 2023, totals \$100,961 and \$130,209, respectively.

7. REVENUE RECOGNITION

The Company generates franchise revenues through royalties, initial and successor franchise fees, transfer fees, and other fees. The Company's primary performance obligations under the franchise license is providing certain pre-opening services and granting certain rights to use the Company's intellectual property. All other services the Company provides under the franchise agreement are highly interrelated, not distinct within the contract, and therefore accounted for as a single performance obligation, which is satisfied by granting certain rights to use intellectual property over the term of each franchise agreement.

The Company has elected not to adjust consideration for the effects of financing which is allowable under a practical expedient when the period between the receipt of payment and the transfer of the goods or services to the customer is one year or less.

The Company does not believe the contracts contain any terms that would result in variable consideration that should be considered in the transaction price. Thus, the transaction price for financial reporting purposes is the total value of the franchise agreement, excluding royalty fees, brand fund fees, and tech fees.

Royalty and Brand Fund Revenues

Royalties, including franchisee contributions to national advertising funds, are calculated as a percentage of franchise monthly dues and annual fees over the term of the franchise agreement. The franchise royalties represent sales-based royalties that are related entirely to the performance obligation under the franchise agreement and are recognized as the underlying sales occur at the franchisee-level. Additionally, contributions to national advertising funds are due monthly and are recognized in income when earned.

Franchise Licenses

Initial and successor franchise fees are payable by the franchisee upon signing a new franchise agreement or successor franchise agreement, and transfer fees are paid to the Company when one franchisee transfers a franchise agreement to a different franchisee. The Company has elected the practical expedient available for the recognition of income related to franchise licenses. The guidance allows for all pre-opening service obligations to be bundled and considered on single performance obligation rather than each pre-opening service (site selection, training, quality control, information technology, etc.) being a standalone performance obligation. Accordingly, franchise licenses revenue recognition includes two performance obligations: 1) pre-opening services, 2) ongoing assistance and continued access to the brand's intellectual property provided to that franchisee through the term of the franchise agreement. Pre-opening services revenue is recognized once the services have been provided and the franchisee commences business operations. The Company recognizes franchise fee revenue of \$12,110 for pre-opening services based on an estimate of the cost of specific goods and services provided. The remaining franchisee fee revenue is amortized on a straight-line basis over the term of the franchise agreement.

Franchise fee revenue disaggregated by type for the year ended December 31, 2024 and 2023, is as follows:

	<u>2024</u>	<u>2023</u>
Pre-opening revenue	\$ 74,130	\$ 24,422
Ongoing revenue	<u>238,092</u>	<u>108,007</u>
Total	<u>\$ 312,222</u>	<u>\$ 132,429</u>

9. COMMITMENTS AND CONTINGENCIES

From time to time, the Company is subject to claims and lawsuits that arise primarily in the ordinary course of business. It is the opinion of management that the disposition or ultimate resolution of such claims and lawsuits will not have a material adverse effect on the financial position, results of operations and cash flows of the Company. Events could occur that would change this estimate materially in the near term.

10. SUBSEQUENT EVENTS

The Company has evaluated subsequent events from the balance sheet date through March 18, 2025, the date at which the financial statements were available to be issued, and determined there are no items to disclose.
